Dear Parents,

I am delighted to communicate to you our final Ofsted inspection report. The inspectors that visited our School carried out their inspection over the two days, which included deep dives into various subjects, lesson visits, discussions with staff/pupils, meetings with school leaders and scrutiny of work undertaken by children. They met with the headteacher, deputy headteacher, members of the governing body, other external agents, spoke with parents, and reviewed documentation provided by the School. More of what inspectors looked at can be found within the official report.

Please take the time to read the inspection report in full. We are so proud of the wonderful comments the school received. It reflects the hard work of staff, the wonderful behaviour and attitudes of our children and the dedicated support of parents, families and the wider community.

I would like to thank all parents and carers who have supported the school during this time. Once again, may I thank all those involved in the inspection itself, especially the staff, governors, and the students who shone during the inspection process.

Kind regards

Mr Wynn
