

THE HOWARD PRIMARY SCHOOL

Well what a busy half term that was! We have been extremely lucky and managed to have many enrichment activities and trips to enhance our learning.

There has been so much going on this term that we would like to tell you about. Here, a few of our pupils tell you about the exciting things they have been doing in class this half term.

Class 3 have been on a residential trip to York to learn about the Vikings. They had a great time and really enjoyed the dig. They have been making the 'Greenpower' racing car with Dr. Allen. We will be racing this at Curborough in June against other schools. I do hope that we win!

Class 2 were their very first residential to Whitemoor lakes. They had a great time and were really well behaved, especially at night.

Class 1 has thoroughly enjoyed learning about the Great Fire of London. They took part in a theme day over at our sister school St. Mary's Colton. Along with Richard Crosse the children had a brilliant day!

We have been learning to play the ukulele in Class 2 and we gave a rendition of 'two little birds' at our mother's day service at St. Peters' Church. Today we are getting ready to perform our Easter Service, where Class 1 will take part in the Easter Bonnet parade. We Jackie Tyler and Rev. Grice for allowing us to celebrate our special occasions in their beautiful church.

We are looking forward to a well-earned Easter holiday, however we are really excited about next term when we will celebrate our traditional May Queen ceremony, the Queen's jubilee and have many more trips and visits. We can't wait!
