

## THE HOWARD PRIMARY SCHOOL

Well what a busy half term that was! As things start to get back to some sort of normality the children at The Howard have really shown an amazing work ethic as they endeavor to meet the high standards they have set previously.

There has been so much going on this term that we would like to tell you about. Here, a few of our pupils tell you about the exciting things they have been doing in class this half term.

Howard is an amazing place to be. You can learn some mind-blowing things such as, what happens to yeast when you mix it with sugar? (Science) Multiplying 4 digit numbers by 2 digit numbers in maths and how to write a non-chronological report in English. My personal favourite was art. I got to make an amazing stencil of the Mona Lisa and I used spray paint like a graffiti artist. Peeling away the stencil to reveal the finished product was so satisfying!

Imogen - Class 3

I have really enjoyed learning about fractions in maths. I am working hard to improve. In English I have enjoyed reading and writing about the book, The Explorer. It is a fascinating book about some children getting lost in the Amazon rainforest. If you enjoy action and cliffhangers I would highly recommend it.

AP Class 3

I have enjoyed maths, forest school and learning about children's mental health week. We have been learning about The Anglo Saxons in History and we have read The Monster Slayer. I am getting so much better at my times tables and this week we have been learning about fractions of a quantity.

Mia Class 2

I have enjoyed our black history lessons and also learning about runes. I can now write my name using the Anglo Saxon alphabet!

Harry - Class 2

We have been learning all about London. There are lots of famous landmarks in London such as Big Ben and Buckingham Palace. I have loved reading and writing about the story of Paddington Bear.

Fleur - Class 1

We know that all our children are super talented and we are proud of each and every one of them, however we would like to give a mention to one of our children who is making excellent progress at the elite level of sport. We are really proud of Lucas Denyer-Smith in Class 3. Lucas represents Walsall FC and he is making excellent progress. A no nonsense tackler, we have high hopes for Lucas in the future.

We are looking forward to a well-earned half term holiday, however we are really excited about next term when class 2 will be heading off to Whitemoor Lakes for 2 days of outdoor activities and Class 3 will be traveling to York for an overnight stay as well as a visit to The Jorvik Center

to support our new topic of The Vikings. We look forward to sharing the stories of our adventures next time.
