

01st April 2019

Dear Children, Parents/Carers, and Staff;

On behalf of the Board of Directors, I would like to inform you that today; Anson Church of England Primary School joined The Small Schools Multi Academy Trust.

Anson will be a superb addition as we are passionate about small village schools, and the support and service they give to the local area. We believe that along with the Church, the village school is the glue that binds the community for the common good.

In ever changing times, being part of something bigger is a benefit and we feel that “together we are stronger”, being large enough to cope, but small enough to care. Anson’s values, ethos and vision mirrors that of our three schools within the Trust, and for this reason alone I know that our partnership is going to be fruitful.

At the heart of what we do are your children, and we want them to continue to thrive and flourish as they have in the past, this will be achieved by the sharing of good practice and expertise, along with the investment in our Leadership Team and staff at all levels.

I look forward to exciting times ahead.

Yours sincerely

Mr PJ Lovern
Chief Executive Officer
