

Upcoming events

- 13th November – NELPCF Coffee morning
- 13th November – Children in Need – Wear spotty clothes

Reminder

- School reopens to children on Monday 2nd November. We look forward to seeing everyone then!

Staff changes

We sadly say goodbye to Mrs Carey this week. We would like to take this opportunity to thank her for all her hard work supporting and teaching the children in our school and we wish her the very best for the future.

Music Mark of Recognition

We are proud to share with you that we have been awarded the Music Mark of Recognition by NEL Music Hub. This award recognises the emphasis we place on music and the dedication we have to providing opportunities for children in this curriculum area.

Instagram

Don't forget to follow us on Instagram:

@Humberstoncloverfieldsofficial to see what is going on in school.

Local community links

The vicar visited the children in Early Years and talked to them about harvest festival.

The PCSO also visited and talked to the children about how important their job is in helping to keep people safe.

Dino stomp

KS1 had a fantastic time stomping round the playground, dressed as dinosaurs, to raise money to develop the outdoor area in school. We will keep you updated as this work progresses.

Thank you for your sponsors and to the local businesses who have agreed to make a contribution.

World mental health day

We all wore yellow to celebrate World Mental Health Day. We understand the importance of looking after our mental health all of the time, not just on specific days. We have a dedicated time each week, Mid-Week Me time where we work together with our friends and the adults in the classroom on activities which help us relax, develop our collaboration skills and are fun!

Harvest

Thank you for donating to our harvest collection this year. The food bank at the Rock Foundation have received our items and the local community will benefit from them.

Halloween and bonfire night

With the forthcoming activities around Halloween and bonfire night, it is really important that the children are aware of stranger danger and safety associated with fireworks and sparklers.

Whilst we will focus on this during our school assemblies, we know you will reinforce our messages at home – thank you.
