The Christmas Fair will be happening on the 3rd December.

We look forward to seeing you there.

Community links

We met the new Reverend of the local church when she came to school to introduce herself to us in assembly.

KS2 play equipment

Please make sure children and their siblings do not use the KS2 equipment before or after school. This is to make sure they stay safe as the equipment is not supervised by a member of staff at these times.

Don't forget to follow us on Instagram:

@Humberstoncloverfieldsofficial to see what is going on in school.

Whitby

The children in Year 5 have enjoyed a residential visit to Whitby where they visited a lobster hatchery, a lifeboat museum and experienced fossil hunting on the beach.

Have a look at what else they got up to on Instagram!

CompassGo

Year 5 and 6 are taking part in a project this year to support their holistic well-being.

They are participating in workshops focusing on developing their self-esteem and challenging negative automatic thoughts.

Oracy

Professionals from other schools in the Trust and our Director of School Improvement visited school earlier this month. They were very impressed by your children's extraordinary oracy skills and how they use these to interact and respectfully challenge each other.

Communication

The Enquire Learning Trust have decided we will no longer be using ClassDojo going forward. In place of this, all communication will be through My Child At School. All school announcements will be sent through this, please make sure you have an account set up and **notifications turned on** in your phone settings. Any support required with this please contact the office.

Halloween and Bonfire night

With the forthcoming activities around Halloween and bonfire night, it is really important that the children are aware of stranger danger and safety associated with fireworks and sparklers. Whilst we will focus on this during our school assemblies, we know you will reinforce our messages at home – thank you.

Parents evening

We will be holding Parent's Evenings so you can discuss how your child has settled and the progress they are making.

These will be on the following dates between 3:30pm and 6pm. Appointments are available to book on MCAS.

Foundation Stage and Year 5 and 6 – Tuesday 4th November

Year 3 and 4 – Monday 3rd November

Year 1 and 2 – Thursday 6th November

World mental health day

We all wore yellow to celebrate World Mental Health Day. We understand the importance of looking after our mental health all of the time, not just on specific days, and have a dedicated time each week, Mid-Week Me time where we work together with our friends on activities which help us relax, develop our collaboration skills and have fun!

Online Safety

As part of our computing curriculum and our safeguarding practices, we teach the children how to stay safe online.

The children in KS2 know how to do this and have agreed to behave in a respectful manner while online at school. At home, please make sure you supervise your child while they are online and monitor their usage.
