Kings Coronation

To celebrate the Coronation, on the **5th May**, we're inviting the children and staff to dress in **red**, white and **blue**.

The children will learn about the King, developing their knowledge of the monarchy and the Royal Family.

A picnic lunch to celebrate the occasion is also available to book on MCAS now.

Kids club

Breakfast club and After School Club have now moved back to the club building at the front of the school. Times remain the same. Please avoid parking in Humberston Park car park when you drop-off and collect and watch your speed when entering and exiting the car park.

New staff

We would like to welcome Mrs Leak to the Humberston Cloverfields team. She will be working in Nursery alongside Mrs Addison and Mrs Jelley to support the Foundation Stage 1 children on their learning journey.

CompassGo sleep workshops

Following our assembly on sleep, CompassGo have been in to work with our Y3 and 4 children to develop a deeper understanding on the importance of sleep, why we need it and how we can develop a healthy routine.

Transition

We would like to try something different this year regarding new classes. Wednesday 12th July (Celebration Day) will be the last day for all children in their current classes. They will move to their new class on Thursday 13th of July and will stay there until the end of the term.

The main reason for doing this is that we want to eliminate anxieties with transition that some children feel over the summer holidays. This way they will have met their teacher and be settled into the class ready for September. The teacher also gets to know the children well before the summer break so planning and preparation can be done based on a secure knowledge of the class and the needs of the children.

The current Y6 will be referred to as Y7 during this time and will have additional activities to finish off their time at Cloverfields. This will include Mini Medics First Aid, sporting events and financial education.

We will let you know further details nearer the time. Any questions, please don't hesitate to ask.

Coming up
