Visit our website – cloverfields.co.uk - to find out about what your child is learning. Click on Curriculum, on the menu at the top and select Learning Maps

Sports days

Due to the ongoing parking issues in the local area, we have decided to hold Sports Days at King George V stadium this year. Reception and KS1 Sports Day will be the morning of Wednesday 5th June and KS2 Sports Day will be the morning of Thursday 6th June.

New hub building

You may have seen our new hub building is now nearly finished. We are so pleased with it and know it will be a great asset to our school and wider community. We will send out an update soon when the final touches have been made and it will be open for breakfast and after school clubs.

The hub building will also be available for the wider community in the near future such as being rented out for local groups and clubs. If any of our families have any interest in this please enquire to the office email for the attention of Miss Willis.

Reminders

We are still collecting milk bottle tops!

Please label all of your children's jumpers/coats/pe kit to prevent them ending up in lost property

In order to keep everyone safe in the playground, please remind your child to walk with their bike or scooter once they are on the school grounds

Personal development

As part of the Personal Development curriculum, Reception visited Twist and Flip and took part in some gymnastic activities. This helped to develop resilience and sports skills as well as their understanding of healthy and safe behaviours.

Children have continued to represent the school at different sporting events such as football, swimming, kurling and cricket. These opportunities help the children to develop their skills to work effectively as part of a team and demonstrate respect towards adults and children who they don't work with on a regular basis.

Transition

Due to the success of our early transition last year, we are organising something similar this year. All children will move to their new class on Monday 15th of July and will stay there until the end of the term.

The main reason for doing this is that we want to eliminate anxieties with transition that some children feel over the summer holidays. This way they will have met their teacher and be settled into the class ready for September. The teacher also gets to know the children well before the summer break so planning and preparation can be done based on a secure knowledge of the class and the needs of the children.

The current Y6 will be referred to as Y7 during this time and will have additional activities to finish off their time at Cloverfields. This will include Mini Medics First Aid, sporting events and a visit to the Eco-Centre.

We will let you know further details nearer the time. Any questions, please don't hesitate to ask.

Diary dates

SATs week - week beginning 13th May

Break up for May half term - 24th May (normal finish time)

Parents evening will take place before end of term - Week beginning 8th July - More info to follow
