Car park closure

Dear parents/carers,

We are very excited to tell you that we will be having a brand new building for our breakfast club, after school provision and for sporting events. However, we will all have to put up with some disruption which I am sure we can overcome if we work together.

From Monday 17th July our club building close to the front of the school is being demolished. Therefore, in order to safeguard both children and adults on the school site, **the car park at the front of school will be closed to all traffic.**

When you drop off and collect your child at the beginning and end of the school day, for this week please use the entrance off Humberston Avenue.

Both Breakfast and After School Club will be held in our Foundation Stage building. Collection and drop off will be from our Humberston Avenue entrance. Times for both clubs remain the same.

If you need to collect your child because they have an appointment or become unwell during the school day, there will be a space available between 9:30 and 3pm as this is when the gates at the Humberston Avenue entrance are locked.

Please make sure when walking to and from the main entrance you use the footpath and take extra care of any building works.

Thank you for your patience as we endeavour to make our school the very best it can be for your children.

Yours sincerely,

Mrs Patterson and Miss Nicholson

Executive Principal and Head of School
