## Facebook

Please like and share our Facebook page to keep up to date with in school activities.

## Christingle

As part of their Personal Development, the children in KS1 and 2 visited the local church and participated in a Christingle, where they took part in a moment of reflection.

Their behaviour was absolutely impeccable!

## Swimming

Year 4 will be having swimming lessons in the new year. More information will follow during the first week back.

## Christmas Concerts

It has been wonderful to welcome so many of you into school to watch our Christmas performances. The children in Foundation Stage and KS1 thoroughly enjoyed performing and it was lovely to see their level of confidence.

We look forward to inviting the KS2 parents into school during the Spring and Summer terms.

## Beginning of the school day

Please ensure when the children are in the playground prior to the doors opening that they are supervised. At this time school does not take any responsibility for them. If a child is left unattended, they will be taken to breakfast club and this will be charged on the My Child At School app.

## Christmas fair

Thank you for supporting us by attending our Christmas Fair. It was a huge success and we managed to raise an incredible total of £2775.70 to put towards school funds! This allows us to pay for trips such as the recent visit to the cinema for the children. We know lots of the stalls sold out very quickly and have taken your feedback on board, we hope that next year it can be bigger and better! Thank you also to everyone who donated prizes, chocolates and gifts for the event.

## Craft morning

This week Foundation Stage held a craft morning for pupils and parents, thank you to those who attended. We know the children enjoyed having you in school to join in with their learning.

## Parking

A huge thank you for your cooperation with parking over the last couple of weeks. We know this can be a challenge sometimes with different events on. We really appreciate your support with this.

## Choir

Our choir, taught by Miss Reed, performed carols for the residents at Ashgrove care home.

A special performance for parents and carers is planned for later in the year.

## First day back

School re-opens on Wednesday 4th January. We look forward to seeing you all then.

*We would like to take this opportunity to wish all of our families a very Merry Christmas and a Happy New Year*

*From Mrs Patterson, Miss Nicholson and all the staff.*
