

Understanding the World

We will look at space, how would we get there and learn about the famous scientist Percy Shaw, who invented cats eyes. We will learn all about keeping healthy and it's importance.

We will look at the season of Spring

We will be looking at special objects from different religions.

P.E

Children will be learning how to work as part of a team. They will develop throwing and catching skills as well as following simple rules for games.

Communication and Language

As always, learning areas within the classroom will be designed to encourage children to talk to each other and ask questions. Teaching staff will model and introduce new vocabulary to children.

During the Cracking Ideas topic, children will be encouraged to talk about space, healthy eating and real life superheroes.

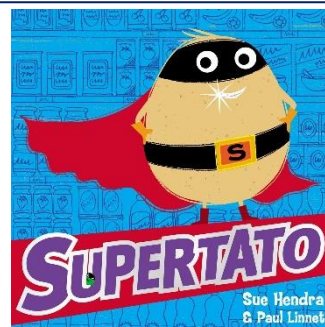

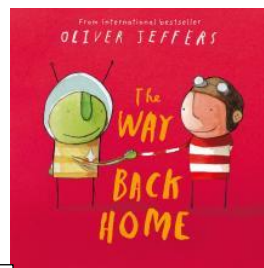

Please send any photos to Dojo!

Parent Map Foundation Stage

Enquiry Question: Do you really want to zoom to the moon?

Key Questions

1. What is Science?
2. What is space and how could we get there?
3. What is the name of our planet?
4. Name some real life heroes.
5. What do we need to eat to keep healthy?

Maths

In maths we will work on learning numbers to 10, using the language of combining two numbers.

We will be looking at length and height as well as beginning to sequence events in time order.

We will begin to recall doubles to 5.

PSED

We will focus on Healthy Me in our PSHE Jigsaw. The children will learn about how to stay healthy and the importance of sleep, brushing our teeth and exercise.

Expressive Arts and Design

Children will build in a rocket .

They will learn how to listen and respond to a wide variety of music.

The children will continue to make observational drawings and will create vegetable soup and fruit smoothies in DT.

Literacy

We will be reading the book The Way Back Home. Children will learn new vocabulary whilst exploring the story and retelling this in detail. We will also be focusing on the story of Supertato and retell parts of it.

Children will begin to bring home a reading book that links with the phonics programme Monster Phonics. They will be required to say the sound of the graphemes they have learnt.
