Safer Internet Day

On the 7th February, the whole school continued to develop their understanding of how to stay safe online. There was an assembly led by Miss West, our Computing Lead and the Digital Leaders plus different activities throughout the day to ensure children know how and why it is important to stay safe online.

KS1 parent event

Thank you to all the parents / carers of our KS1 children, who attended our Great Fire of London Parent Event. It was lovely to see so many of you in school and I know the children enjoyed sharing their learning with you.

Swimming

Our Y4 children have been learning to swim as part of their PE curriculum. They have demonstrated great resilience during these lessons, with many of them reaching the required standard.

Sporting events

Many children have participated in a range of different sporting events during February. Y3 have taken part in a dodgeball event, while the Y3/4 team reached the final of an athletics competition. Y5/6 enjoyed applying their basketball skills learnt during the Autumn term, in a friendly tournament against Elliston.

Parent consultations

During March, we will be holding parent consultation evenings where you can meet your child's teacher and discuss your child's progress.

20 March - FS and Y5/6. 3.30-6pm Open evening – no appointments

21 March - KS1. 3.30-6pm Open evening – no appointments

22 March - Y3/4. 3.30-6pm Open evening – no appointments

Thank you

We are really grateful to all of our parents for being patient with us during the recent building work going on in school. We have been able to create extra meeting spaces across school and have a fully upgraded school kitchen. The kitchen will be back running as normal from Wednesday 1st March, ready for our World Book Day lunch special on Thursday!

People Day

Did you know all children spent a day learning about a scientist at the start of this term?

Ask your child who their special person was.
