Safer Internet Day

On the 11th February, the whole school continued to develop their understanding of how to stay safe online. There was an assembly led by Mrs Wood, our Computing Lead and Elephant class plus different activities throughout the day to ensure children know how and why it is important to stay safe online.

CompassGo

CompassGo have delivered an assembly to KS1 and 2 and workshops to Y3/4 on the importance of sleep; how a lack of it can affect both your mental and physical health and why a good sleep routine is so important. They have also worked with Y6 to support them manage their emotions about their forthcoming assessments.

Wear red

On the 14th February, we asked all children to wear red and held a cake sale to raise money for the British Heart Foundation.

We managed to raise £123.65 Thank you for your support with this.

Playground Equipment

We are pleased to inform you that our new playground equipment for the Early Years and Key Stage 2 playgrounds will be installed this Spring following the success of our Dance-a-thon fundraiser last year.

The process for the installation has to pass vigorous checks and safety measures so we are pleased to confirm this is now completed and the equipment will be installed within this school year. The equipment will be a great improvement for the school and the children's outdoor space.
