

Good morning Cloverfields families 11-05-20
A message from Mr Holmes

You will have seen the announcement from the Prime Minister this evening. It confirms that we will be expected to open on June 1st for pupils in R, Y1 and Y6. We await further clarity on the measures that we are expected to adopt or develop to ensure the safety of pupils, families and staff. These can be built into our planning as they emerge.

So for tomorrow - and until further notice - there is no change to our current offer. We will continue to offer child care to vulnerable pupils and the children of key workers (as per our original list) All other pupils will continue to benefit from the high quality home learning offer that you have in place. Staff should continue the work patterns that have been established and all those in school should observe social distancing.

Many thanks for your support
Mrs Spruce
