## Transition

Our transition to new classes ready for September has been very successful again this year. It has been lovely to see the children so settled already with their new teachers and this will help them be ready to make a fantastic start with their learning in September.

Y6 have benefitted from developing their life skills as part of the Cloverfields Experiences, this has included working with Mini Medics to learn first aid and basic life saving skills.

Y5 have enjoyed a taster day at Waltham Toll Bar Academy experiencing secondary school. Further opportunities for children to begin prepare for transition to secondary school will be during the Autumn term.

## Blue Wave beach safety

As part of the Personal Development Curriculum, Nicola from Blue Wave Swim School has been in to school to deliver an assembly to the children. Key messages about how to stay safe when at the beach and what to do if they or someone else is in danger were shared.

## Graduation

We could not have been more proud as we watched our Y6 children graduate. Not only are they well-prepared academically for secondary school, we know they are respectful young people who are ready for the next stage in their education.

We wish Y6 well and look forward to hearing about the difference they make in the future!

## Lost property

Please look on Dojo at the items of lost property that have been left in school. If you recognise any of them as belonging to your child, please call in at the office to claim them.

All parents are invited to attend the uniform swap at St Peters Church. Dates below:

**Saturday 20th July 10-12pm**

**Thursday 8th August 10-12pm**

## Staff changes

We sadly said goodbye to Miss Waite, Miss Tindall and Mrs Osbourne this week.

We would like to take this opportunity to thank them for all their hard work and we wish them the very best for the future.

We would also like to welcome Mr Binns our new Owl class Teacher from September.

## After school kids club

In September we will be consulting with parents regarding extending the times of our after school club. We would encourage all parents to take part in the survey so we can ensure we are offering the best provision to suit our parents and the school.

## MCAS balances

A reminder for all parents, from September you will need to have a positive dinner balance on your MCAS account to be able to book school dinners. Please ensure that by 31st July 2024 that your child's MCAS account is cleared of any outstanding payments.

(School dinners, breakfast club & afterschool club balances).

## Reminder

School reopens on Monday 2nd September. We look forward to seeing you all then.

For PE all children should wear unbranded plain black thigh length shorts. For full details of PE kit please see the school website.
