Sports day

Thank you for joining us at our Sports Day this year. At Cloverfields, our main aims are to develop great sportsmanship and a positive attitude towards all sports. In our assembly back at school, we celebrated this as well as sporting success.

Y6 residential

Earlier this month, most of Y6 had a fantastic time at PGL on their residential visit. During their two night stay, they participated in a wide range of activities which supported in developing their resilience and respect.

A great time was had by all!

Parking

Please be reminded the front car park should not be used at the beginning and end of the school day unless you are picking up early/late for appointments etc. This does not apply to parent/carers with a disabled badge or exceptional agreed circumstances. The barrier system will be back in use from next week and all access will be strictly monitored.

We also ask that you do not block Humberston Park's access and always use the footpath around the edge of our car park for your own safety.

Graduations

Nursery graduation will be on Thursday 11th July at 1:45pm.

Y6 graduation will be on Tuesday 16th July. More details to follow.

Reminder

We break up on Friday 19th July at 2:30pm. There will be no after school clubs on this day

As the hot weather continues, can we please remind you to make sure your children have suncream on or with them and that they bring a water bottle to ensure they stay hydrated.

As part of their Personal Development, your child will learn how to stay safe in sun. Please ask them about this.

Parents evenings

During July, we will be holding parent consultation evenings where you can meet your child's teacher and discuss your child's progress. Appointments available to book on MCAS now.

9 July – Y3/4. 3.30-6pm

10 July – KS1. 3.30-6pm

11 July - FS and Y5/6. 3.30-6pm

Whales class

From the 1st July until 5th July, Mr Holbrook will be on training and the class will be taught by Mrs Giles.

Fruit

Children in KS1 can bring their own fruit in as a snack to be eaten at morning break time. If grapes are brought in, can you please make sure they are sliced lengthways and can carrots be avoided please as they are a choking hazard. All children in KS1 will be provided with fruit by school as part of the government scheme.

School meal changes

From September 2024 any children not eligible for free school meals will need to have a positive credit balance on their account to be able to book lunches. Please check your MCAS account and clear any outstanding balances for dinners or clubs by the end of the school financial year 31st July 2024 to avoid any outstanding fees.
