

Understanding of the World

Science:

This term we are learning about Animals and Living Things with a specific focus on animals and their offspring and their needs to flourish and survive. We will also be looking at humans and how eating healthy and regular exercise helps maintain a healthy balanced person. Alongside this, we will be looking at how to meet humans basic needs. We will be looking at scientific careers such as: vet, Zoologist and Aquatic Zoologist.

What we are learning:

The topic for this half term is 'Our Place in the World'. We will be looking at Cleethorpes and how humans have made their mark on Cleethorpes. As part of our transition to this curriculum we will also be learning about London as the capital city.

Key concepts:

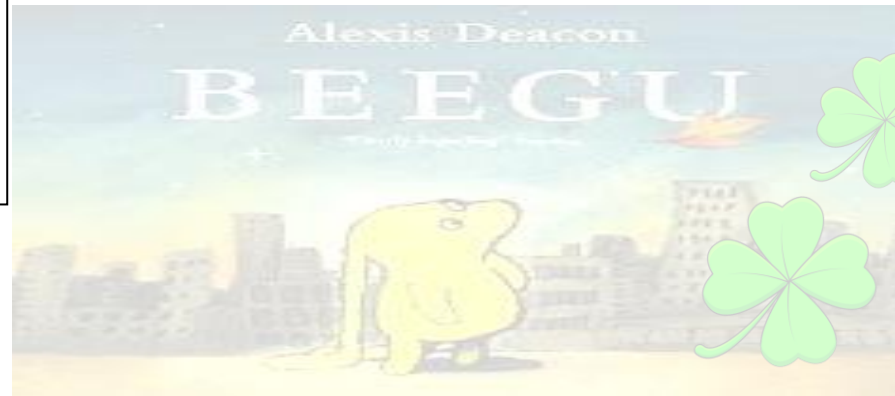

- Geography is the driving subject.
- Name the 4 countries that make up the UK
- Compass directions.
- Map work.
- Human and physical features.

Literacy

In English, your child will be reading the book 'My Name is Not Refugee' & "Beegu". They will be learning how to make inferences through a variety of creative story telling methods as well as learning the key concepts of early grammar, punctuation and spelling. This includes the non-negotiable capital letters and full stops in sentences and leaving gaps between words and creating expanded noun phrases.

PE

To master basic movements and spatial awareness and object control.

Home Learning Opportunities:

Home reading is essential to developing your child's reading. Please encourage your child to take part in the 10 minutes a day reading challenge.

Please practice your child's spellings.

Thank you for your ongoing support

ICT

We will be looking at how:
To use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Maths

This half-term in maths we will be learning about place value and how numbers essentially make up bigger numbers. In Y2 we are focussing on umbers to 100 understanding that $78 = 70 + 4 + 4$ and in Y1 we are consolidating composition to 10.

RE

To know what the Quran says about Muslims and how Muslims act out their faith.

Physical, Emotional Health and Well Being.

The topic this term is Being Me and will focus on children and their unique abilities and what makes them so special and celebrate their differences.
