Parent Consultations

It was lovely to see the parents and carers, who dropped in to discuss their child's report. We apologise once again for having to cancel the date for Y3/4 but will reschedule this shortly after the Easter holidays.

Transition

This year, the transition process to support our Y6 children in preparing to move to secondary school has started early. The school nurses have been in to school to share a presentation and to listen to any worries or concerns the children may have by providing opportunities for one-to-one consultations.

Bikeability

Y5 have been learning how to stay safe when out on the road in the local community on their bikes. Many children, who participated, achieved Level 2, which is the required standard. The behaviour and attitude shown during the two day course was exemplary – well done Y5!

Save the date!

Due to the parking issues in the local area, we have decided to hold Sports Days at King George V stadium this year.

KS1 Sports Day will be the morning of Wednesday 7th June and KS2 Sports Day will be the morning of Thursday 8th June.

Parents will be welcome to come and spectate on both dates.

Clubs

Next term, a variety of after school clubs will be on offer including Science for Reception, Multi-skills for KS1 and KS2, Skipping for Y3, Y4 and Y5 and Computing for Y3, Y4 and Y5 and Becoming an Artist for KS1.

CompassGo Support

CompassGo delivered an assembly to all of Key Stage 2 on the importance of sleep; how a lack of it can affect both you mental and physical health and why a good sleep routine is so important. Ask your child about the important messages they learnt during the assembly.

It was also lovely to see those parents and carers who were able to attend the sleep workshop they delivered in school.

Footballing stars

Recently, boys and girls from Y5 and 6 have represented Cloverfields at football tournaments.

The boys travelled to Birmingham and played in the Midlands Regional Finals while the girls, who were selected to represent Grimsby Town, played in a tournament in Sheffield.

All the children who participated demonstrated great sportsmanship! As a school, we could not have been more proud of them!

Happy end of term

We hope all of our families have a lovely Easter break.

We look forward to seeing you all back in school Monday 17th April.
