Parent consultations

It was lovely to see the parents and carers, who dropped in to discuss their child's report. A further parent's evening will be held during the summer term.

Personal development

The Alzheimer's Society delivered an assembly to KS1 and 2 which helped the children to develop their understanding of dementia and how to communicate and support people who suffer.

Children in Reception visited Humberston House Care Home where they met some of the residents while completing an Easter Egg Hunt and had a colouring competition. Great fun was had by all!

Save the date!

Due to the parking issues in the local area, we have decided to hold Sports Days at King George V stadium this year.

Reception and KS1 Sports Day will be the morning of Wednesday 5th June and KS2 Sports Day will be the morning of Thursday 6th June. Parents will be welcome to come and spectate on both dates.

Reminder

School re-opens to the children on Monday 15th April. We look forward to seeing you then!

Transition

The transition process to support our Y6 children in preparing to move to secondary school has started early. The school nurses have been in to school to share a presentation and to listen to any worries or concerns the children may have by providing opportunities for one-to-one consultations.

CompassGo provided a workshop earlier in the year and will deliver a transition assembly for all children during the summer term.

CompassGo support

CompassGo delivered an assembly to all of Key Stage 2 on the importance of sleep; how a lack of it can affect both your mental and physical health and why a good sleep routine is so important.

Ask your child about the important messages they learnt during the assembly.

Sporting experiences

It's been a busy month for sport at Cloverfields. Lions class and Whales class took part in a dance festival; some children from KS1 have participated in a cricket festival, Y3/4 girls have taken part in a football experience and children from KS2 have competed in a Tag Rugby tournament.

As always, we've been incredibly proud of the sportsmanship demonstrated by the children.

Clubs

Next term, a variety of after school clubs will be on offer including Football for KS1 and KS2, Gardening for Y3, Y4 and Y5, Games for KS2 and Computing for KS1.

The Creation Station will continue to provide a craft based after school club for children on a Friday.

Reserve your child's place on the My Child At School App.
