## Social media

Please like and share our Social media to keep up to date with in school activities.

## Ofsted

Thank you to you all for your overwhelming support during our Ofsted visit last. We will be able to share the feedback with you when it comes back to us in a few weeks time.

One thing I can tell you now is that your children were an absolute credit to us and to you! They were a 'delight' to talk to and just shone with confidence. The values of respect, resilience and readiness for learning, which we focus on so much, were evident in every area of school and just showed how great Cloverfields is for developing children's personal development as well as their academic achievement.

## Y6

Our Year 6 children have demonstrated a fantastic attitude and great resilience when completing their SATs. As a school, we could not have been more proud of them and the effort they have shown.

We would also like to thank parents and carers for their support during this busy time.

## Reading

As a school, we place an emphasis on reading and have developed reading areas around school to make sure children have the opportunity to enjoy a good book in a quiet space. KS2 children currently enjoy using our library bus at lunchtimes and reading buddies provides our older children with the chance to collaborate with our younger ones and support them in developing their reading skills.

## Learning Mentor

Mrs Lawson is our Learning Mentor in school. She regularly checks-in with all children and supports them with their personal, social and emotional development and in their understanding of healthy relationships.

## Maths

All children have access to an online platform, which they can log on to at home, to support them in learning important maths facts.

Please see your child's class teacher for further information about how to log on.

## Staff changes

We sadly said bye to Mrs Jackson this week, she has decided to start her well-earned retirement. We would like to take this opportunity to thank her for all her hard work and we wish her the very best for the future.

Miss Hamdan will be joining Cloverfields following the half term break; we look forward to her joining our team.

## Attendance

If your child is absent from school for any reason you must call the school office before **9am**. If you leave a voicemail, please make sure you specify the reason why your child is unwell not just saying 'not well'.

## Sports Day

All children need to come to school to be registered and will then be transported to King George V stadium for 9:30am via coach.

Parents are welcome to join us there.

## Reminder

School re-opens after half term on Tuesday 6<sup>th</sup> June.
