Staffing Changes at Cloverfields

Mr Ross, our Site Manager, has left us for pastures new and we wish him all the very best for his new promotion to a large local school. We are delighted to have filled his position with Mr Pettiford who is himself joining us from another school and has a wealth of experience to help drive Cloverfields forward. He will be joining us just after the Easter holidays. In the interim period, we may need you to be patient with us around some of the tasks a Site Manager would normally carry out, such as opening and locking the gates. Our priority will always be the safety and welfare of the children so we may experience some delays in these areas while we are attending to pupils. We are also excited to welcome Mr Birkett to Cloverfields who will be joining us in April working across the school as our Sports Coach. He has a lot of experience in teaching a range of sports and we know he will be a great addition to the team. We are currently recruiting for a Cook and a Kitchen Assistant and hope these will also join us just after the Easter holidays too.

Holiday club

We have found it extremely difficult to recruit any sort of holiday club provision for the coming holidays. Staffing changes have also taken this out of our control. We have managed to secure 3 days of Grimsby Town Football Club support and hope this will be well attended so we can book future sessions. We are still in talks with another couple of companies who are interested in providing facilities but the process for getting something in place is very long winded. As we have already stipulated., we need any provision to be high quality and suit the needs of our families.

If any of you know of holiday club providers who may be looking for facilities, please ask them to contact the school office. Going forward though, we are setting up more after school clubs and will be looking to provide a range of activities to suit football lovers and those who prefer something else.

Uniform

Wearing PE kit to come to school in worked well during COVID and we are interested in how you, as parents, feel about this. Does it make life easier for you?

In terms of school, we have found that the standards in PE kit has fallen so we would like to remind you that the appropriate wear is: Black hoodie or zipped top (this can be with or without the school logo), plain black trousers, leggings or shorts and a green T-shirt (with or without the school logo). No other colours are permitted. Socks should be white, grey or black and trainers should not be bright colours. After Easter all classes will have just one longer PE session. This will be communicated to you via Dojo over Easter so you know which day is PE day for your child.

Red Nose Day

A huge thank you for your support with our fundraising activities this year. We really do appreciate it.

Easter

We hope you have a very lovely and relaxing Easter break. Your children have worked hard this term and you should be very proud of them. Let's hope the weather is kind to us all and we look forward to seeing you all back on Tuesday 19th April. Breakfast club will be open as usual.

Facebook

You may have seen our new Humberston Cloverfields Academy Facebook page that has been set up. We would love for all our families to like and share the page! We will be sharing updates about school, your children's learning and lot's more!
