

Understanding the World

Children will be talking about their families. They will learn about where they live and the different types of houses that they live in. They will be learning about different occupations and the people who help them in our community.

Physical Development

Teaching staff will be encouraging the children to use and remember sequences and patterns of movement which are related to music and rhythm. They will be learning about their bodies and naming the different parts.

Communication and Language

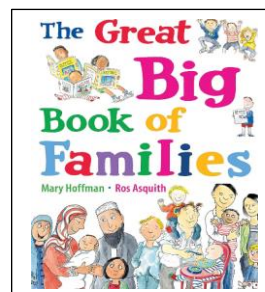

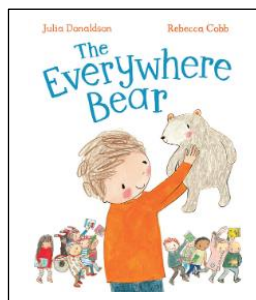

As always, learning areas within the classroom will be designed to encourage children to talk to each other and ask questions. Teaching staff will model and introduce new vocabulary to children. During the topic Our Place in the World, children will be encouraged to talk about themselves, their home and the country they live in.
