World Mental Health Day

To recognise the importance of looking after our mental health, we held an assembly in school and all the children participated in activities throughout the school day, which they can then use at home such as finger breathing, yoga and brain breaks.

CompassGo

CompassGo have been into school and worked with the Y5 children who will be the new Cloverfields Kindness Crew. They will work with Mr Lawson, our Learning Mentor, to help children with their mental health whilst they're at school.

Visits and visitors

A dentist and the PCSO have visited school and talked to the children in Foundation Stage about how they help them. The children in Y5 and 6 have walked across the Humber Bridge. This has been to support their learning in the geography topic 'Megastructures' and to develop their knowledge of their locality. Lions class have also participated in an Active Maths workshop through Sports Partnership.

Harvest collection

Thank you for your generosity in supporting our Harvest collection. We have managed to collect over 300 items, which will be donated to the Rock Foundation to support local families.

Parents Evenings

We will be holding Parent's Evenings so you can discuss how your child has settled and the progress they are making.

These will be on the following dates between 3:30pm and 6pm.

Foundation Stage and Year 5 and 6 - Tuesday 14th November

Year 1 and 2 – Monday 13th November

Year 3 and 4 – Wednesday 15th November

Sporting opportunities

It is our aim for every child to have the opportunity to participate in a sporting opportunity this year. Some of the children in KS2 have enjoyed representing the school in basketball and Boccia while others have participated in Active Maths.

Christmas Fair

The Christmas fair will be on Thursday 7th December. We look forward to seeing you all there. There will be no after-school club on this day.

Consultation

Thank you for all those who participated in the recent consultation regarding proposed changes to term dates. We will be collating these over half term and will let you know the outcome of the parent/carer response when we return to school. Depending on these results, we will then present our business case to the Trust. We have had several queries about introducing a two-week October half term instead of/as well as the May half term so will take these into consideration too.

Parking signs

Please look out for our new parking signs to encourage safer parking at the Humberston Avenue entrance.

Bonfire Safety

Our local PCSO will be coming in on the first day back to deliver a whole school assembly on Bonfire safety.

Reminder

School closes for half term on Friday 20th October and reopens to children on Tuesday 31st October.
