

Understanding the World

The children learn about different types of homes. They will learn that our town is called Cleethorpes and that we live by the seaside.

They will learn about different occupations and people who help us.

They will know what a map is used for.

P.E

The children will learn how to balance and control their bodies. They will use apparatus such as mats, beanbags and hoops. PE will be on Thursdays with Mr Dean.

Communication and Language

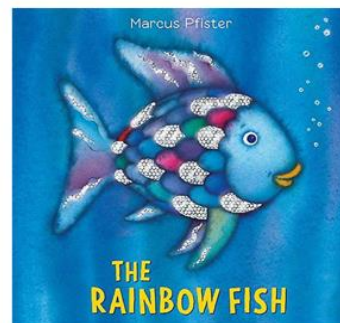

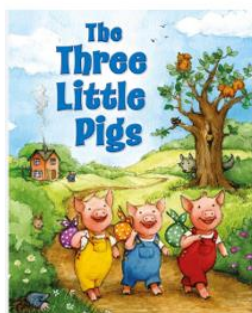

As always, learning areas within the classroom will be designed to encourage children to talk to each other and ask questions. Teaching staff will model and introduce new vocabulary to children. During the Our Place in the World topic children will be encouraged to talk about their homes.

Parent Map Foundation Stage 2

Enquiry Question: What Is It Like Where I Live?

Key Questions

1. Who is in my family?
2. How can we be a good friend?
3. What is a map used for?
4. Why isn't it sunny every day?

Maths

The children will be representing and comparing numbers 1, 2 and 3. They will be matching and sorting items and comparing different amounts, extending their mathematical language. Children will continue to learn number songs and nursery rhymes to support their learning in Maths.

PSED

The children we be settling into the daily school routine to further develop their independence up. They will begin to make new friends and be given time to talk about their experiences with adults and peers. Teaching staff will be getting to know the children and will build relationships with them.

Expressive Arts and Design

The craft area will be set up with materials to encourage children make their very own homes. They will learn new nursery rhymes and simple songs. Children will begin to mix different paint colours.

Literacy

In Literacy, we will be reading the books the Rainbow Fish and the Three Little Pigs. The children will learn new vocabulary whilst exploring the stories and the knowledge extracted from the text. The children will begin to bring home a reading book that links with the Phonics Programme, Monster Phonics. The children will be required to practise saying the sound of the graphemes they have learnt.
