Parrot class had the best afternoon making their own rain gauges and wind vanes to measure wind direction and rainfall. We took them outside and could see the wind blowing north-east. They collaborated and used oracy skills to discuss weather types and seasons.

## Gold School Games Mark

We are proud to share with you that we have recently been awarded the Gold School Games Mark award. This is because of our commitment to developing competitive sport and physical activity in school.

## Sporting Events

It is our aim that each year every child in KS2 will represent the school in a sporting event. A team of Y5/6 boys competed in a football event earlier this month, demonstrating great sportsmanship, resilience and team work – well done!

## Communication

The Enquire Learning Trust have decided we will no longer be using ClassDojo going forward. In place of this, all communication will be through My Child At School. All school announcements will be sent through this, please make sure you have an account set up and notifications turned on in your phone settings. Any support required with this please contact the office.

## Cloverfields Experiences

As part of the Cloverfields Experiences, and to support their learning in geography, Y5 and 6 walked across the Humber Bridge. The children were amazed by the size of this 'megastructure' and showed respectful behaviour while out of school.

## Book fair

Thank you for supporting our school by purchasing books and stationery at the book fair. A staggering £541 was raised and school will receive half of that amount to spend on quality books for the children.

## Play Group

Rhyme, Rattle and Roll is back up and running. Inviting our youngest children from the community in to school, it's always a delight and building relationships with families is always important to us.

## Harvest Festival

A huge thank you to all of you who generously donated tinned or packets of food for our Harvest Festival. We really appreciate your kindness and know the local food bank will too.

## Smoke-Free site

This is a reminder that the entire school site is a smoke-free zone and this does include the use of electronic cigarettes.

## Car park

Please drive with care into the car park at the front of school at all times when collecting and dropping off children.
