

# September 2022

SCAN ME

## Facebook

Please like and share our Facebook page to keep up to date with in school activities.

## Harvest Festival

Thank you for your contribution for our Harvest Collection so far. We set the challenge for every child to bring in one item so, together, we had a huge contribution from Team Cloverfields. We really appreciate your kindness and know the food banks will too.

## Congratulations

Congratulations go to Miss Thompson who is expecting a baby in the Spring! We are over the moon for her. We are currently recruiting for a temporary replacement as she is planning to return to school in the future. We will obviously keep you up to date with this when we can. I want to reassure you that we will be taking our time to get the right cover who will become part of our team whilst they are here.

## Mental Health

Supporting children with their mental health is important to us, therefore all learning teams at Humberston Cloverfields have received training from CompassGo on how to do this effectively. Half an hour on a Wednesday afternoon has also been identified as a time where children will participate in activities to support their mental health. This is known as Mid-Week Me Time.

## Uniform

Thank you for ensuring the children have returned to school this term with the correct uniform and are smartly dressed. Please can parents label all children's jumpers and PE kit in a permanent marker so we can ensure they don't get lost. Each class has a black permanent pen. Please ask if you want your child's name writing in their jumper.

## Parents Evening

We will be holding Parent's Evenings so you can discuss how your child has settled and the progress they are making.

These will be on the following dates between 3:30pm and 6pm.

Foundation Stage, Year 5 and 6 - Monday 17th October

Year 1 and 2 – Tuesday 18th October

Year 3 and 4 – Wednesday 19th October

Information will go out next week regarding booking an appointment.

## Snacks

We are aware that children can struggle to concentrate if they are hungry. If your child is in KS2 and you want to send them with a healthy snack such as fruit, raisins or a cereal bar to eat at playtime, then we will encourage them to eat it while sat outside at playtime.

The children in KS1 are already provided with fruit through a government funded scheme and those in Foundation Stage have milk daily.

## Flu Vaccinations

This is a reminder that flu vaccinations will be happening in school for children on the 4th and 11th October.

## HM Queen Elizabeth II

Like the rest of the country, Humberston Cloverfields Academy was saddened to learn about the death of HM Queen Elizabeth II. This is obviously a significant event in our history, and we were extremely proud of how the children showed an impeccable level of respect in assemblies and discussions we have had.
