

New class transition – Thursday 13th July

Dear parents/carers,

From Thursday 13th July, your child will start in their new class as part of the transition arrangements, which will support them in moving up.

When they arrive at school, they will need to go into their new classroom. Below is the information to support you in helping them know where to go. Teachers will be stood at their classroom doors to welcome the children in and boards and there will be staff in the playground to help if you're not sure where to go. Please don't hesitate to ask.

Key Stage 2

The current Y6 children, who will become our Y7's, will come in through the door behind the reading bus and make their way to the hall.
