Diversity and Representation

As a key element of The Story Project, our books reflect diverse characters and stories. We choose our books carefully, ensuring they give an authentic account of different experiences. We want all children to see themselves in the pages of The Story Project's books.

We purposefully and intentionally choose stories that inspire discussion and different opinions. The opportunity for open conversation is an important part of children developing empathy and understanding of respectful relationships. This means covering positive representations of diversity as well as how some groups of people are discriminated against. This is covered sensitively and, in an age appropriate way.

Using books to do this means that children are distanced from the topic and can approach the conversation safely without judgement.

Our Principles and Teacher Autonomy

We are passionate about creating a curriculum that reflects the needs of children in your school. Our knowledge and expertise means our curriculum is engaging, progressive, research-based and quality assured. **You** are the experts of your children, so we have also ensured that lessons are easy-to-implement and adaptable where necessary. Autonomy and flexibility are embedded, and we support schools to use our curriculum in a way that suits their needs. Your feedback is so important to us – if something isn't working, let us know. We strive to be responsive to what you need.

Examples of built in flexibility:

- **Settle** - Our programme contains over 200 emotional regulation strategies, so if one doesn't work for your class, you can change it for another. If some children don't like to close their eyes, for example, skip this step.
- **Read** - In the first lesson of a unit, you'll want to read the whole book (or the full extract, if it is a chapter book). However, depending on the age, engagement and needs of your class, you can change how you interact with the story in subsequent lessons. You may wish to simply refer to certain pages or part of the book in lessons 2 to 6. Guided reading questions are provided, but these can be adapted dependent on need.
- **You** - Every lesson includes a choice of two 'You' activities. This is intentional so that teachers have autonomy over how they achieve each objective within our lesson plan structure.
- **Further reading** - We pick out the key themes in our books, but there is so much more to explore! Feel free to extend the learning into topics and themes that are relevant to your class. Further reading and resources are suggested at the end of each unit overview.

How Our Curriculum Works

We have grouped the statutory RSHE and non-statutory PSHE skills into 6 Key Themes. Each key theme progresses through the primary journey, deepening and stretching children's skills and knowledge by fostering empathy and understanding. Our books don't just focus on one topic; they weave the 6 key themes throughout the units so that children learn in a holistic and connected way. By the end of primary school, children will have been exposed to characters and stories that enlighten, challenge, support and empower them. This helps to develop a toolkit of wellbeing skills that will stay with children as they grow.

This is because the theme looks at self-care, emotions and wellbeing. The theme incorporates both physical and mental health, ensuring children learn a range of skills to help them develop as happy and healthy human beings. This theme can be found in the Settle and Training activities of every lesson in our curriculum, as well as in a variety of units.</p> <p>Progression In Reception children begin by looking at what makes them happy and unhappy, thinking about key strategies to help with this. Reception also learn about foods and healthy lifestyles; forming a strong foundation of how to look after our bodies.</p> <p>In Key Stage One, these ideas are developed with stories that explore what happens when children don't look after themselves. The books look at how children deal with negative emotions and what to do during difficult times, such as loss and change.</p> <p>By the end of Key Stage Two, children learn about the effect of harmful substances on the body and more complex mental health issues such as depression. Coping with change is further developed in KS2, as well as a deeper look at active lifestyles.</p> <p>What to do if children need support with their mental or physical health is covered throughout this theme.</p>

 <ul style="list-style-type: none"> Consent Puberty Changing emotions Babies Families Careers and aspirations Transition to high school Resilience 	<p>In the theme 'Growing Up', children learn about how their bodies and emotions change over time, as well as how they can develop resilience and aspirations for their futures.</p> <p>Progression In Reception, children learn about the main parts of the body. They also discuss the arrival of a new baby and how they might help to care for a baby. This begins a thread of conversations about the human lifecycle, including death, which spans the whole curriculum. Furthering this learning, Key Stage One and Two children learn about bodies, puberty, emotions and then reproduction in Year 6. All the learning in this area is done in an age-appropriate way.</p> <p>Concepts such as resilience are covered in many places across The Story Project curriculum, but the idea is given a specific focus in this theme. This helps children to recognise their own strengths and weaknesses, celebrating themselves, what they are good at and giving opportunity to discuss career options by the end of Key Stage Two. Transition to high school finishes the theme, paving the way for children to think about their next step.</p>

Protected Characteristics

We choose our books carefully, ensuring they give an authentic account of different experiences and backgrounds. We pride ourselves on using stories to promote equality and challenge discrimination.

In this table, we have given an overview of how we have given the curriculum a balanced view of the protected characteristics.

Protected Characteristic	Our Curriculum																				
Age	<p>While most of our books could be included in this category, the titles below have been chosen because they celebrate different ages, multi-generational stories, the relationship between young and old and champion what each group has to offer. The following books feature main characters from different age groups:</p> <table border="0"> <tr> <td>Rec Jar of Happiness</td> <td>Year 2 Grandad's Camper</td> </tr> <tr> <td>Rec The New Small Person</td> <td>Year 3 Ossiri and The Bala Mengro</td> </tr> <tr> <td>Rec Oliver's Vegetables</td> <td>Year 3 Faruq and the Wiri Wiri</td> </tr> <tr> <td>Year 1 Look Up</td> <td>Year 4 Ritu Weds Chadni</td> </tr> <tr> <td>Year 1 My Big Fantastic Family</td> <td>Year 4 The Colour Thief</td> </tr> </table>	Rec Jar of Happiness	Year 2 Grandad's Camper	Rec The New Small Person	Year 3 Ossiri and The Bala Mengro	Rec Oliver's Vegetables	Year 3 Faruq and the Wiri Wiri	Year 1 Look Up	Year 4 Ritu Weds Chadni	Year 1 My Big Fantastic Family	Year 4 The Colour Thief

Disability	<p>Covering different types of disability mean that children learn about a variety of experiences, helping to tackle discrimination. We have chosen the following stories because they celebrate characters who have a disability:</p> <p>Year 5 The Boy Who Grew Flowers Year 6 Aaron Slater Illustrator Year 6 Finding My Voice</p>																				
Sex	<p>We have carefully chosen texts that represent the different sexes in a balanced way, supporting equality and ensuring that our stories do not perpetuate outdated stereotypes. For instance, we ensure our books feature boys showing kindness and girls showing anger, so that children are given a varied view of the sexes. In year 6 we take a more focused look at gender equality in sport. The following books contain main characters who challenge gender stereotypes:</p> <table border="0"> <tr> <td>Rec Barbara Throws a Wobbler</td> <td>Year 5 Ada's Violin</td> </tr> <tr> <td>Rec Luna Loves Library Day</td> <td>Year 5 The Boy Who Grew Flowers</td> </tr> <tr> <td>Year 1 The Friendship Bench</td> <td>Year 5 Mama Miti</td> </tr> <tr> <td>Year 4 The Proudest Blue</td> <td>Year 6 Aaron Slater Illustrator</td> </tr> <tr> <td></td> <td>Year 6 Finding My Voice</td> </tr> <tr> <td></td> <td>Year 6 Marcus Rashford/Mary Earps</td> </tr> </table>	Rec Barbara Throws a Wobbler	Year 5 Ada's Violin	Rec Luna Loves Library Day	Year 5 The Boy Who Grew Flowers	Year 1 The Friendship Bench	Year 5 Mama Miti	Year 4 The Proudest Blue	Year 6 Aaron Slater Illustrator		Year 6 Finding My Voice		Year 6 Marcus Rashford/Mary Earps

Race	<p>Our hope is that children who take part in Story Project lessons can see themselves reflected in the pages of the books. With this in mind, we look to ensure our stories reflect a mix of backgrounds, races and colours of skin. The following books contain main characters from minority race backgrounds:</p> <table border="0"> <tr> <td>Rec Luna Loves Library Day</td> <td>Year 4 The Proudest Blue</td> </tr> <tr> <td>Rec The New Small Person</td> <td>Year 5 Ada's Violin</td> </tr> <tr> <td>Year 1 Look Up</td> <td>Year 5 Mama Miti</td> </tr> <tr> <td>Year 1 My Big Fantastic Family</td> <td>Year 6 Aaron Slater Illustrator</td> </tr> <tr> <td>Year 2 Ravi's Roar</td> <td>Year 6 Marcus Rashford</td> </tr> <tr> <td>Year 2 The Girl at the Front of the Class</td> <td></td> </tr> <tr> <td>Year 3 Ossiri and the Bala Mengro</td> <td></td> </tr> <tr> <td>Year 3 The Hundred Dresses</td> <td></td> </tr> <tr> <td>Year 3 Ruby's Worry</td> <td></td> </tr> <tr> <td>Year 3 Faruq and the Wiri Wiri</td> <td></td> </tr> </table>	Rec Luna Loves Library Day	Year 4 The Proudest Blue	Rec The New Small Person	Year 5 Ada's Violin	Year 1 Look Up	Year 5 Mama Miti	Year 1 My Big Fantastic Family	Year 6 Aaron Slater Illustrator	Year 2 Ravi's Roar	Year 6 Marcus Rashford	Year 2 The Girl at the Front of the Class		Year 3 Ossiri and the Bala Mengro		Year 3 The Hundred Dresses		Year 3 Ruby's Worry		Year 3 Faruq and the Wiri Wiri

Religion and Belief	<p>It is important that our stories reflect different belief systems so that children can develop empathy and critical thinking. Stories, such as 'Ritu Weds Chadni', speak of some of the discrimination that people can face when their beliefs differ from each other, and we have intentionally included this story to encourage open discussion. The following books show main characters who follow specific belief systems:</p> <p>Year 4 The Proudest Blue Year 5 Ritu Weds Chadni</p>																				
Sexual Orientation	<p>In our championing of all family types, we have included books that cover different sexual orientation. As with the other protected characteristics, it is important that our stories reflect the diverse world that we live in. The following stories feature characters from the LGBTQ+ community:</p> <p>Year 2 Grandad's Camper Year 5 Ritu Weds Chadni</p> <p>Note, the book Ritu Weds Chadni includes discussion of homophobia - please refer to the 'sensitive content' section in the Unit Overview for this book.</p>																				
Marriage and Civil Partnership	<p>Families come in all shapes and sizes, and our stories have been chosen to reflect this. Marriage, civil partnerships, separation and single parent families are all represented in the TSP curriculum through the following stories:</p> <table border="0"> <tr> <td>Rec Luna Loves Library Day</td> <td>Year 5 Ritu Weds Chadni</td> </tr> <tr> <td>Year 1 My Big Fantastic Family</td> <td>Year 5 Mum and Dad Glue</td> </tr> <tr> <td>Year 2 Grandad's Camper</td> <td>Year 6 Making a Baby</td> </tr> <tr> <td>Year 3 No Money Day</td> <td></td> </tr> </table>	Rec Luna Loves Library Day	Year 5 Ritu Weds Chadni	Year 1 My Big Fantastic Family	Year 5 Mum and Dad Glue	Year 2 Grandad's Camper	Year 6 Making a Baby	Year 3 No Money Day													
Rec Luna Loves Library Day	Year 5 Ritu Weds Chadni																				
Year 1 My Big Fantastic Family	Year 5 Mum and Dad Glue																				
Year 2 Grandad's Camper	Year 6 Making a Baby																				
Year 3 No Money Day																					
Pregnancy and Maternity	<p>An important part of PSHE education, we ensure our books feature babies and the statutory elements of the PSHE curriculum relating to sex education. The following stories feature elements of pregnancy or newborn babies:</p> <p>Rec The New Small Person Year 6 Making a Baby</p>																				
Gender Reassignment	<p>Gender Reassignment and Gender Identity is supported and championed by The Story Project. Our lessons promote equality for all and cover all the statutory elements of the PSHE curriculum. Currently, we do not have a book in our curriculum that expressly covers gender reassignment.</p> <p>However, we continue to cover themes linked with gender reassignment by challenging gender norms, celebrating freedom of expression, encouraging empathy and championing difference. We hope to include a book with a transgender character in the future, so that our curriculum is fully inclusive and representative of the nine protected characteristics.</p>																				
Supplementary Characteristics and Resources in The Story Project	<p>In addition to the nine statutory protected characteristics, there are several other characteristics that we incorporate into our book choices. These include:</p> <table border="0"> <tr> <td><u>Economic Background</u></td> <td><u>Refugee Status</u></td> </tr> <tr> <td>Year 3 The Hundred Dresses</td> <td>Year 2 The Girl at the Front of the Class</td> </tr> <tr> <td>Year 3 No Money Day</td> <td><u>Language</u></td> </tr> <tr> <td>Year 4 Pizza Face</td> <td>Rec Here We Are</td> </tr> <tr> <td>Year 5 Ada's Violin</td> <td>Year 3 Faruq and the Wiri Wiri</td> </tr> <tr> <td>Year 5 Mama Miti</td> <td>Year 5 Ada's Violin</td> </tr> <tr> <td>Year 6 Marcus Rashford/Mary Earps</td> <td>Year 5 Mama Miti</td> </tr> </table> <p>We are proud to create supplementary resources for schools to use as extra interventions, assemblies or class lessons. In these stories, we apply the same careful consideration as we do to our core curriculum. Books such as 'I Talk Like a River', chosen for its focus on a child with a stutter, 'Zlata's Diary' which explores a child's experience of war, and 'The Dress in the Window' which challenges gender stereotypes, further allows us to expand our diverse collection of stories. This mean that children see their own experiences reflected in books and can build empathy and understanding for those who are different to themselves. Through this we champion equality for all and help to tackle discrimination.</p>	<u>Economic Background</u>	<u>Refugee Status</u>	Year 3 The Hundred Dresses	Year 2 The Girl at the Front of the Class	Year 3 No Money Day	<u>Language</u>	Year 4 Pizza Face	Rec Here We Are	Year 5 Ada's Violin	Year 3 Faruq and the Wiri Wiri	Year 5 Mama Miti	Year 5 Ada's Violin	Year 6 Marcus Rashford/Mary Earps	Year 5 Mama Miti
