	Autumn Unit	Spring Unit	Summer Unit
EYFS	<p>← Observe Seasonal Changes: Can I monitor the weather across the seasons? →</p>		
Year 1	<p>← Observe Seasonal Changes: Can I describe the weather across the seasons? →</p>		
	<p>Everyday Materials What are everyday objects made from and why?</p>	<p>Plants What do plants need to grow and stay healthy?</p>	<p>Animals including Humans How are animals, including humans, similar and different?</p>
Year 2	<p>Animals including Humans What do animals, including humans, need to survive and grow?</p>	<p>Uses of Everyday Materials Which materials are best for different jobs and why?</p>	<p>Plants What helps plants grow into healthy, mature plants?</p>
		<p>Living Things & Their Habitats How do habitats support living things?</p>	
Year 3	<p>Animals including Humans Why are skeletons and muscles important for movement and survival?</p>	<p>Rocks (finish) How are rocks and soils formed and why are fossils important?</p>	<p>Light How does light help us to see and create shadows?</p>
	<p>Rocks How are rocks and soils formed and why are fossils important?</p>	<p>Forces & Magnets How do forces and magnets affect the way objects move?</p>	<p>Plants How do different parts of plants help them survive and reproduce?</p>
Year 4	<p>Electricity How does electricity power everyday devices?</p>	<p>States of Matter (finish) How and why do materials change state?</p>	<p>Sound How are sounds made and how do they travel?</p>
	<p>States of Matter How and why do materials change state?</p>	<p>Living Things & Their Habitats How can living things be grouped and how do environments change?</p>	<p>Animals including Humans How does the human digestive system help us stay healthy?</p>
Year 5	<p>Living Things & Their Habitats How do different living things grow and reproduce?</p>	<p>Forces How do gravity, air resistance and friction affect movement?</p>	<p>Animals including Humans How do humans change as they grow older?</p>
	<p>Earth & Space How do the Earth, Moon and Sun move and interact?</p>	<p>Properties of Materials How and why do materials change?</p>	
Year 6	<p>Electricity How can electrical circuits be used to control and change outcomes?</p>	<p>Animals including Humans How does the circulatory system keep our bodies working?</p>	<p>Light How does light travel and help us see the world?</p>
	<p>Evolution and Inheritance How have living things changed over time to survive?</p>	<p>Living Things & Their Habitats How and why are living things classified?</p>
