Week Beginning Monday 11th September 2023

The Library Van will be visiting our school **this Friday 15th September**. If you have found any further books at home during the holidays please do bring them in tomorrow for returning.

St Peter's Church Events

This weekend our church, St. Peter's Church, will be holding 2 wonderful events. Both have always been very popular with our families and the church would like to welcome you all.

Saturday 16th September from 2pm the church will be having another one of their great **Pop-Up Pizza** events. Please come along and have a chat and eat beautifully fresh made pizzas whilst the children have fun and play games.

Sunday 17th September at 9.30am will be the **Church Harvest Festival**. Church will be collecting donations of food for the **Salvation Army**. You may also **bring your items to school** where we are collecting at the main door. This is a fantastic time to show thanks for all the wonderful foods that God provides.

Currency Collection If you travelled abroad over the summer holidays, you may have brought back some foreign currency notes and coins. Whilst larger notes can be exchanged for sterling, it's more difficult with small notes and coins. At **St Peter's Church Inskip**, we are **collecting coins and notes from any country or denomination** to exchange for sterling at a specialist bureau. The money raised is used to support the work of the church. If you have any spare currency to donate please put it in an envelope and leave it at the school office or post it through the vicarage letterbox.

Christian Values

Our Christian value theme this half term is

‘Perseverance’.

Here’s a way of exploring this theme at home.

FASCINATING FACTS

Perseverance in the Natural World

Many birds show remarkable **perseverance** as they build their nests, piece by piece often in cold, wet and windy weather and at risk from predators.

The long-tailed tit is just one example. Weighing just 9g, this little bird takes 3 weeks or more to build a nest. The oval shaped nest is made from moss, cobwebs and hair, covered on the outside with lichen and lined with up to 2000 tiny feathers!

Data Collection Forms

Thank you all for taking the time to complete and sign all of these forms and return them back to school to ensure that school have all the correct information regarding your child’s needs and circumstances. If in future any information changes please let school know as soon as possible. Thank you.
