Building Works

You will have noticed the fencing which has been erected in the next door field in preparation for the building work which will be taking place there. Miss Leyland met with Andrew Sharkey the construction manager and Graeme Dickinson site manager last week in order that during the build our pupils safety is paramount.

The works will start next week with skimming of the field, a carpark on the field for the site operatives will be constructed the following week when the major build commences, this should avoid vehicles being parked on Preston Road. Concert Living have informed their suppliers of our school times and asked them not to deliver during the start and end of the day. **Please though do be extra vigilant of both your child's and your own safety when walking along the pavement to and from school in case of unexpected vehicles turning on to/off the site.**

Sports Days

Our school sports days will take place this week, with Upper school on Wednesday and Lower school on Thursday. We know that you won't be able to attend as you have in previous years but we'll add photographs to our website of the fun and games for you to see. Our Friends association have purchased a sports gift for each pupil with the money donated from non-uniform days, thank you everyone. Wish your child luck for their sports day and we'll let you know how it goes.

School Website

Please take a look at our school blogs and our news blog items which will be written by the children, and see all the wonderful learning your children have been doing in school. Click on the title of the blog to open it in a new window. Please comment at the bottom of the blog posts your thoughts of encouragement for the children to read.

Christian Values

Our Christian value theme this half term is 'Service'.

Here's a way of exploring this theme at home.

Queen Esther serves her people

When King Xerxes, the ruler of the mighty land of Persia, was looking for a wife, Mordecai immediately thought of his cousin, the wise and beautiful Esther. Mordecai's family was Jewish, but he warned Esther not to tell anyone about this as he knew that there were powerful people in the land who hated Jews. Mordecai took Esther to the palace gates to be presented to the king, and, sure enough, as soon as King Xerxes saw Esther he fell in love with her, and the humble Jewish girl became a queen.

Mordecai often sat by the palace gates hoping to hear snippets of news about his cousin. For some time, all seemed well. But Haman, a wicked and powerful man in the court of King Xerxes, became angry with Mordecai because he would not bow down and honour him. Haman hatched a cunning plan. He began to tell the King bad things about the Jews living in his land and eventually he persuaded Xerxes that all the Jews should be killed. Queen Esther was beside herself with grief. She loved her people very much but felt powerless to help them.

King Xerxes noticed how terribly sad his queen had become, and begged her to tell him why she was so upset. Esther said she would explain if he and Haman would come to a feast that she prepared the following evening. When the grand banquet was over King Xerxes asked once again. "My dear Esther, you promised to tell me the reason for your sorrow." Esther summoned all her courage in what might be her last act of **service**. She told the King about Haman's plan to kill all of the Jews, which would include herself. King Xerxes was furious at the prospect of losing his beloved and beautiful Esther and ordered Haman to be arrested.

And so it was that Esther's name will be forever be remembered for her willingness to risk everything in the **service** of her people.

Photographs

Individual and Sibling photographs will be sent home today and tomorrow. These are now ordered online as there are more packages available to parents. The class photographs will arrive shortly and will be sent home for an opportunity to order those through school.

School Reports

Reports will go out during the last week of term with an opportunity to speak to the teacher.

Summer Planting

Our Big Tyre has had some lovely Summer plants added to the soil. Could we please ask that the children do not play on this area to allow them to bloom.

Thank you.

Online Safety

We all want our children to be safe online and with that in mind we will be providing you with information about online behaviours, apps and games which will be useful to you in supporting your child to stay safe. This will also support the daily teaching of online safety at school.

This week we attach a parents and carers guide to **setting up parental controls on an iPhone**.

Please also take a look on our website at [Our Safeguarding](#) page where you will discover a range of links to on-line safety information.

How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

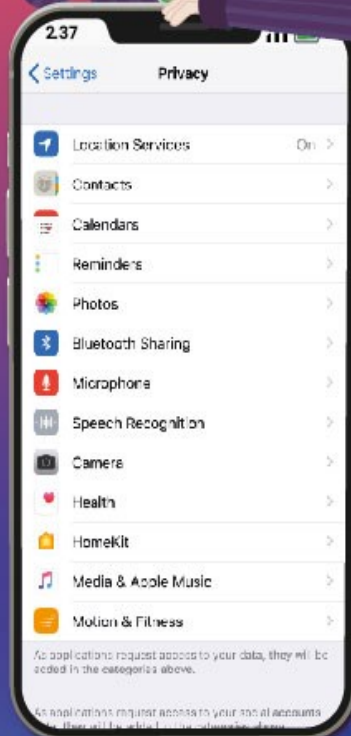

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes

COVID-19

Please do not send your child in to school if they or members of your household have coronavirus symptoms or have tested positive in the last 10 days.

Symptoms are

- A high temperature—this means you feel hot to the touch on your chest or back (you do not need to measure your temperature)
- A new, continuous cough—this means coughing a lot more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- A loss or change to your sense of smell or taste—this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child shows any of these symptoms at school we will ring you immediately and expect you to come and collect your child.
