*Learning, Loving and Living with Jesus*

Keep your roots deep in Jesus Christ the Lord, build your lives on him  
and always be thankful. *Colossians 2:7*

**Compassion Friendship Respect Forgiveness Trust Thankfulness**

**Monday 21st June 2021**

Friends will be having their monthly **non-uniform day** this **Thursday 24th June**. In exchange for £1 your child can come to school wearing their own clothes all day at school.

## Sports Days

Your children showed some excellent sports skills during our sports days last week. Well done children you were amazing! We have posted lots of pictures on our school website for you to take a look at.

## School Website

Please take a look at our school blogs and our news blog items which will be written by the children, and see all the wonderful learning your children have been doing in school. Click on the title of the blog to open it in a new window. Please comment at the bottom of the blog posts your thoughts of encouragement for the children to read.

## End of term Discos

Through their fundraising Friends have organised an **end of term disco** for our pupils on Wednesday 14th July which will be a lovely end of year celebration for all our children. Because of the requirement for our pupils to remain in their bubbles, the disco (which will be held outside) will be in 2 halves.

Lower School children should return to school in their disco clothes at 4.45pm for their disco, with parents coming back to pick them up at 5.40pm and Key Stage 2 children (Middle School and Upper School) returning to school at 5.50pm for their disco from which parents should pick them up at 6.45pm.

## *Christian Values*

Our Christian value theme this half term is  
**'Service'**.

Here's a way of exploring this theme at home.

### THINK TOGETHER Words of Wisdom

"There is more happiness  
in giving than receiving"

*The words of Jesus recorded in  
Acts 20.35 - The Good News Bible*

## Photographs

The class photographs will be sent home this week. Unlike the individual and sibling photographs these are to be ordered through school.

Please could you return your school order by Thursday 24th at the latest in order to get these back in time. Thank you.

## Confirmation

Rev Paul will be starting confirmation classes after the summer holiday for children who are at present in Year 5, the classes will take place during the school day. If you are interested in your Year 5 child taking part and becoming confirmed or would like to know more about the content of the classes please contact Miss Leyland or the school office. Rev. Paul is happy to provide confirmation classes on Zoom for present Year 6 children or pupils who have already left our school, again please do ask us for details.

## Online Safety

We all want our children to be safe online and with that in mind we will be providing you with information about online behaviours, apps and games which will be useful to you in supporting your child to stay safe. This will also support the daily teaching of online safety at school.

This week we attach a parents and carers guide to **YouTube**.

Please also take a look on our website at [Our Safeguarding](#) page where you will discover a range of links to on-line safety information.

YouTube is an online platform - owned by Google - where anyone can upload & watch video content. All different types of information, advice & entertainment are uploaded & billions of people tune in to watch, rate & comment on it. As a parent, it's important you understand exactly what content your children might be seeing.

## Tips To Protect Your Child

### APPLY 'RESTRICTED MODE'

Restricted mode helps to hide any mature or unpleasant videos from your children. It uses YouTube's own automated system & looks at what other users flag as inappropriate content. It must be enabled in the settings menu on each individual device.

### CHANGE WHO CAN SEE VIDEOS

You can change who can view your child's content in the settings. Options include Public (available to all), Private (only available to people you share it with & cannot be shared) or Unlisted (available to people you share it with & can be shared further).

### BLOCK CONCERNING USERS

To help protect your child from cyber-bullies, harassment or persistent offensive comments, you can 'block' individual users. Doing so hides your child's videos from the user & stops the user being able to contact your child in any way.

### CUSTOMISE THEIR EXPERIENCE

Influence & control what your child watches using features such as Playlists (your videos play continuously rather than videos YouTube recommends) & Subscriptions (you choose channels your child can watch). It's also good to turn off auto play by toggling the blue button alongside the 'Up Next' title when viewing a video.

### CREATE A 'FAMILY' GOOGLE ACCOUNT

Create a Google account to be used by the whole family. This will allow you to monitor exactly what your child is watching, uploading & sharing. Plus, your child's YouTube page will display their recently watched videos, searches, recommended videos & suggested channels.

### GET YOUR OWN ACCOUNT

Create your own account so you can explore features yourself. Learn how to flag inappropriate videos, how to moderate comments & how to block users. This will help you feel more confident when providing advice & guidance to your children.

### BE MINDFUL OF CYBERBULLYING

Once your child has posted a video, a worldwide audience can see it. Strangers may choose to comment on the video, both positively & negatively. So, be careful to check comments & any other interactions your child is making through the platform.

### GET TO KNOW POPULAR CHANNELS

It's good to know which channels are most popular with your children. Some of the most popular channels right now are: PewDiePie, NigaHiga, Zoella, KSI, JennaMarbles, Markiplier, Smosh, ThatcherJoe & Casper Lee.

### DON'T ASSUME YOUR CHILD IS TOO YOUNG

YouTube and YouTube Kids are quickly becoming the chosen viewing platforms for children between the ages of 3-15 & it's likely this trend will only increase. It's also possible children will become familiar with the platform at a younger & younger age. So it's important to understand the positives & negatives of the platform.

# What parents need to know about YOUTUBE

## INAPPROPRIATE CONTENT EASY TO ACCESS

Any child with a Gmail account can sign into YouTube & access videos. Some content is flagged 'age-restricted', but the platform relies on self-verification, meaning kids can get around the rules with a fake date of birth. This could enable access to vulgar, violent & dangerous videos.

## USERS CAN PRIVATELY CONTACT YOUR CHILD

When your child is signed-in to YouTube with their Gmail account, there are various ways they can send & receive messages. This could be via the messages icon, or via the 'About' tab. There is scope here for users who your child does not know to make contact.

## YOUTUBE SUGGESTS RELATED CONTENT

YouTube will often 'auto play' videos based on your child's viewing habits. The aim is to show related & appropriate content. But the problem is: it's possible your child will be exposed to inappropriate content that isn't accurately related.

## 'CHALLENGE VIDEOS' CAN GO TOO FAR

Challenge videos refer to a stunt you're encouraged to recreate & film. Many challenge videos can be harmless & for a good cause, like the Ice Bucket Challenge. But some are dangerous & even life threatening, such as the Bird Box Challenge.

## SHARING VIDEOS RISKS YOUR CHILD'S PRIVACY

If your child has a Google account, they can upload their own videos. To do this, they must create a personal profile page known as a 'YouTube Channel'. The videos uploaded here can be viewed, commented on & shared by anyone. This could put your child's privacy at risk.

### COVID-19

Please do not send your child in to school if they or members of your household have coronavirus symptoms or have tested positive in the last 10 days.

Symptoms are

- A high temperature—this means you feel hot to the touch on your chest or back (you do not need to measure your temperature)
- A new, continuous cough—this means coughing a lot more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- A loss or change to your sense of smell or taste—this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

**If your child shows any of these symptoms at school we will ring you immediately and expect you to come and collect your child.**
