### Non-Uniform Day

This **Friday 25th November** the Friends are having a non-uniform day. In exchange for a **gift for the Tombola** your child can wear their own clothes all day for the school. Thank you.

### Library Van

This **Friday 25th November** the library van will be visiting us at school. This will be the last one before Christmas till she returns on Friday 6th January. Please ask your child to bring in their borrowed books to exchange or renew. Thank you.

### Road Safety

As many of you will be aware Lancashire County Council sent traffic wardens out last week to our school and enforcement tickets were issued due to parking infringements. The vast majority of our parents and carers are respectful of road safety and we thank you for that. We will be introducing different strategies over the next few weeks designed to reinforce our message of keeping our pupils safe through the act of safe parking by everybody who comes to our school.

### Christmas Fayre

The Christmas Fayre is **this Saturday 26th November** and we are looking forward to seeing you all there with all your family and friends! The children have been busy making decorations and decorating the school for Christmas. We do hope that you will come to support the children.

**We are looking for some delicious bakes to sell on the day. Please bake away and send them in on Friday or Saturday morning first thing.**

*From 1<sup>st</sup> October 2021, the requirements for prepacked for direct sale (PPDS) food has been updated. This just means that if you bake a cake, please could you add a sticker or label which includes the full list of ingredients on it.*

Please speak to Becca Wright, Sam Readyhough, Rachel Bone, or the school office if you are able to help.

Thankyou so much

## Christian Values

Our Christian value theme this half term is  
**'Trust'.**

Here's a way of exploring this theme at home.

### FAMILY FOCUS

#### Get Knotting

Knot tying is an important skill for every crew member on board a sailing ship. For the various parts of the sails and rigging different knots are used and the crew have to **trust** that the knots are tied properly and will hold.

We all use knots occasionally to hold something securely in place. See if you can master these knots:

A Clove Hitch knot, to secure a rope to a post.

A Reef knot to join 2 ropes together.

## School Website

Please take a look at our school blogs and see lots of the inspiring learning your children have been doing in class. Click on the title of the blog to open it in a new window. Please comment at the bottom of the blog posts your thoughts of encouragement for the children to read.

## Family Support

We recognise that families may be suffering during the cost of living crisis. We are building a page of support links for parents and carers to access, [Supporting Our Families](#).

## Our Christmas Nativity

You may have already heard your children singing some of the Christmas songs or reciting the lines they are learning for our nativity production of 'The Bells Ring Out'. The nativity will take place on **Monday 12th December at 2pm** and **Tuesday 13th December at 6pm**. We will let you have further details about tickets very soon.

## Online Activity

We all want our children to be safe online and with that in mind we will be providing you with information about online behaviours, apps and games which will be useful to you in supporting your child to stay safe. This will also support the daily teaching of online safety at school.

**Disney+** is one of the most popular streaming services that our children like to use to watch their films. Below, are a few tips for parents to consider to ensure that their children get the most enjoyable experience out of the service.

Please also take a look on our website at [Our Safeguarding](#) page where you will discover a range of links to on-line safety information.

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

### 5 TOP TIPS FOR PARENTS

**1 Create a strong username & password**

On its release in the US, Canada and Netherlands in November 2019, Disney+ was dogged by allegations of being hacked. Many users complained that their account details had been stolen and blamed Disney+ security. To date, Disney+ has confirmed there was no data breach from their end. As Disney+ doesn't use 2-factor authentication, anybody who potentially hacks your username and password could also access your credit card details. Therefore, it's important to create a unique username and a strong password that isn't used for other sites. Always use a mixture of letters (upper and lowercase), numbers and symbols and try to ensure the minimum length is 8 characters.

**2 Monitor your child's usage**

Whilst the ability to stream on almost any device capable of connecting to the internet might seem great at first, parents may also want to exercise a little bit of caution. Parental controls on Disney+ are quite limited and there are no settings to help with screen time or usage, so it can be easy for children to binge watch, particularly given the amount of content available. Apple, Google and Amazon devices all provide options to limit children's screen time so parents can manage how long their child uses the app.

**3 Enable 'Kid's Profile' mode**

Although Disney+ is billed as family friendly, there is still an option to enable a 'kid's profile' which removes all PG and PG-13 rated content. This adds an extra level of safety if you're still concerned that your child may watch something that could be deemed too 'intense' for their age. Setting up a kid's profile also switches off autoplay which means the next video in any series won't automatically play once one episode has finished. It should be noted though that children can easily switch between accounts themselves given there is no security required to get into profiles.

**4 Double check for films with 'outdated cultural depictions'**

The Disney+ service includes programs and movies that go back to the 1920s and which have been left in their original format, with their original content. Some of this programming contains cultural insensitivities and depictions that were included in the original show, but Disney would never include them now. For example, cultural stereotyping, the representation of minority groups or character portrayals which may be deemed racist. For this reason, viewers are made aware through a warning message stating "This program is presented as originally created. It may contain outdated cultural depictions." Whilst Disney do their best to highlight any such content, it's always worth discussing these issues with your child if they raise any queries.

**5 Sit back and enjoy!**

Above all else, Disney+ is designed to be family friendly and there is very little, if any, adult-themed content available for children to stumble across. The library of films and programmes can range from all-time classics to the latest Hollywood blockbuster and it can be a great avenue for parents and children to sit down together, ready the popcorn and enjoy some great family friendly entertainment.
