School Closure for Easter

School will close for the two week Easter holidays at 1.15pm this Friday 26th March. If someone else will be collecting your child please let them know the time of collection and at which entrance to collect your child from. Thank you.

Non-Uniform Day

Friends will be having a **Non-Uniform day this Friday 26th March** In exchange for £1 your child can come to school dressed in their everyday clothes.

Happy Easter

This Friday our Friends Association are organizing a Bunny Money hunt to help our children to celebrate the festival of Easter! The children will hunt for Bunny Money (carrots) in our school grounds and exchange these for an Easter egg. This week our classes will also be talking about why we give eggs at Easter and relating this to our Christian festival, remembering all that happened to Jesus during Holy week and how miraculous and wonderful his resurrection was.

We hope that you all enjoy the Easter break with your families and we will see you all again to start the Summer term at 8.50am on **Monday 12th April**.

Vision Screening

Our Reception and Year 1 pupils will be invited for a vision check on **Wednesday April 14th**.

What is vision screening?

Vision screening is when a specially trained person checks your child's vision to make sure they can see without any problems. The aim of the service is to detect reduced vision early, to reduce the risk of defects developing into visual impairments if left untreated.

What is involved with vision screening?

Your child's vision will be assessed using a letter matching test. The test is fun and your child does not need to know their letters to complete it. During the test a pair of glasses with one eye blanked out will be used or an eye patch will be placed over one eye to test each eye separately. The test is entirely safe and children enjoy playing the letter matching game. It takes approximately five minutes and the screener is trained to make this fun for the child.
