### Thank you

Revd Paul would like to thank everyone who went along to St. Peter's Pop Up Pizza Event on Saturday and The Harvest Festival Service on Sunday. As the first church events since the pandemic began it was lovely to see our community get together to celebrate with each other in our church.

Please take a look at the photographs on our website of the beautiful [Sunday service](#).

### Uniform Suppliers

It has been brought to my attention this morning that several families had a great deal of trouble purchasing school uniform this summer. Thank you, Miss Leyland

### The Widow Who Never Gave Up

There was once a judge living in a town just like this one, said Jesus to the crowd of people who were listening to him and hanging on his every word.

This judge did not care much about God or justice. The crowd muttered to one another and smiled knowingly, they all knew judges like him! A poor widow, called Sarah, lived in the same town. She was being treated badly by her neighbour who was making her life very difficult indeed.

Sarah went to the judge to ask him to hear her case and give her justice.

At first the judge tried to ignore her. Silly old woman he thought. Why won't she leave me alone. Doesn't she realise that I have more important things to deal with?

But Sarah **persevered**. You are my only hope she told the judge. You must help me. Day after day she went to see him.

In the end, the judge was so exasperated that he thought to himself I will never get a minutes peace unless I help this old woman.

Finally he let her explain to him the problems that she was facing and agreed that Sarah's neighbour was indeed behaving very badly and must be made to stop at once. Sarah's **perseverance** paid off and eventually she got the justice she deserved.

So keep **persevering** and keep praying said Jesus to the crowd.

### COVID-19

Please do not send your child in to school if they or members of your household have coronavirus symptoms or have tested positive in the last 10 days.

Symptoms are

- A high temperature—this means you feel hot to the touch on your chest or back (you do not need to measure your temperature)
- A new, continuous cough—this means coughing a lot more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- A loss or change to your sense of smell or taste—this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

**If your child shows any of these symptoms at school we will ring you immediately and expect you to come and collect your child.**
