Thank You!

Thank you so much to all those people who supported our Christmas Fair on Saturday, it was a **HUGE** success! Our extremely generous families and community donated in all, through purchasing crafts, cakes, photos and food and competing in games **over £2000**, we will let you know the exact amount when the raffle is completed. Raffle tickets are still available to purchase from the school office. Thank you so much to everyone on our Friends Association who worked so hard organising this wonderful day, it was a lovely Christmas community day.

Our Christmas Nativity

We are looking forward to performing our annual nativity play for you! Each family will be given **2 tickets** for the daytime performance at **2pm on Monday 12th December** and **2 tickets** for the evening performance at **6pm on Tuesday 13th December**.

Our pupils put a lot of work into preparing for their roles and therefore to ensure that they can perform to their best and be heard, children who are **under 3 years of age may come along to our dress rehearsal on Monday 12th December at 9.30am** with their parents or grandparents **but, like last year, will not be able to attend the 2 official performances** to minimise noise disturbance.

Please be aware that we do not have a recording licence to record our nativity performances therefore we ask that you do not video the children. Please ensure all people attending know this. Thank you.

Our Christmas Tree

Thank you to Alfie's grandad Mr Bill Sanderson who every year gifts our school a beautiful Christmas tree and has kindly been doing this for many years. When the tree is decorated the children's faces light up and it's then the start of Christmas. Thank you.

It's always sad taking our Christmas tree down before Christmas. We would love it if it found a new home in time for Christmas day. If anyone wants it and can pick it up on or after the 16th December please let the office or Miss Leyland know.

If you would like a beautiful Christmas tree from Mr Sanderson please call him on 07836 518139.

A Guide to Parking Safely at Our School

A Guide to Parking Safely at Our Schools

Inconsiderate and dangerous parking around our schools has become a big problem, putting the safety of children and others at risk. We all want to keep our children safe around schools, so here's some top tips on how you can make a difference.

Did you know?

One in five cars in the morning rush hour is taking children to school

How Can You Help?

- ✓ Keep your speed down
- ✓ Turn your engine off - do not idle
- ✓ Leave the middle of the road free, with enough room for other road users to easily pass through
- ✓ Make sure your child leaves and enters your vehicle safely onto the pavement
- ✓ Check for pedestrians and cyclists before opening a car door
- ✓ Leave enough room on pavements for pedestrians, pushchairs & wheelchairs to get past
- ✓ Take care when reversing
- ✓ do not park on zig zag lines

Please keep restricted areas clear...

- ✓ Zig Zags and school entrances
- ✓ Dropped kerbs
- ✓ Resident's driveways
- ✓ Opposite or within 10 meters of a junction- so that children can see cars and cars can see children

Your questions answered...

What would happen if I did park in a restricted area.

If you park in a restricted area you are putting children's lives in danger and for this reason school parking is regularly monitored and enforced. If you park in a restricted area you could receive a £70 fine.

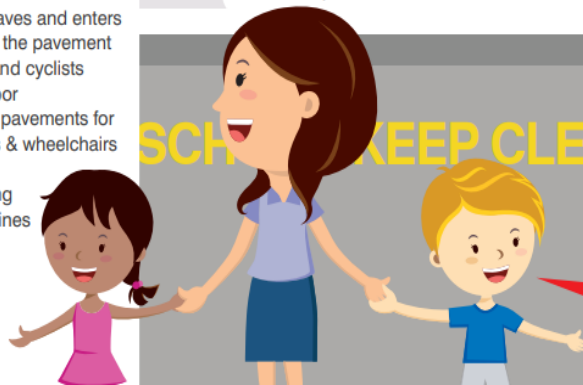

Am I okay to park on zigzag markings if I am only there a few minutes?

No, under no circumstances should you park on zig zag markings at any time, these are there to protect school entrances and leave a clear view of the street for pedestrians.

Please park considerably around our schools and keep our children safe!

Don't Forget...

Congestion around schools is one of the main reasons given for dangerous parking and there are other ways you could do the school run...

Never park on zig zags or block school entrances
