Our Year 6 Leavers

We will miss terribly our nine Year 6s when they leave us in a fortnight to go to high school. For the next 2 weeks though we will definitely notice them! They were presented on Friday with their leavers sweatshirts which celebrate their time with us and include all their names on the back - a lovely keepsake. Each child chose their favourite colour and as a mark of appreciation from us for everything they've achieved and added to our school they can wear them to school instead of the traditional green jumper or cardigan for the last 2 weeks of their time at Inskip!

School Website

Please take a look at our school blogs and our news blog items which will be written by the children, and see all the wonderful learning your children have been doing in school. Click on the title of the blog to open it in a new window. Please comment at the bottom of the blog posts your thoughts of encouragement for the children to read.

End of term Discos

Through their fundraising Friends have organised an **end of term disco** for our pupils on Wednesday 14th July which will be a lovely end of year celebration for all our children. Because of the requirement for our pupils to remain in their bubbles, the disco (which will be held outside) will be in 2 halves.

Lower School children should return to school in their disco clothes at 4.45pm for their disco, with parents coming back to pick them up at 5.40pm and Key Stage 2 children (Middle School and Upper School) returning to school at 5.50pm for their disco from which parents should pick them

Christian Values

Our Christian value theme this half term is '**Service**'.

Here's a way of exploring this theme at home.

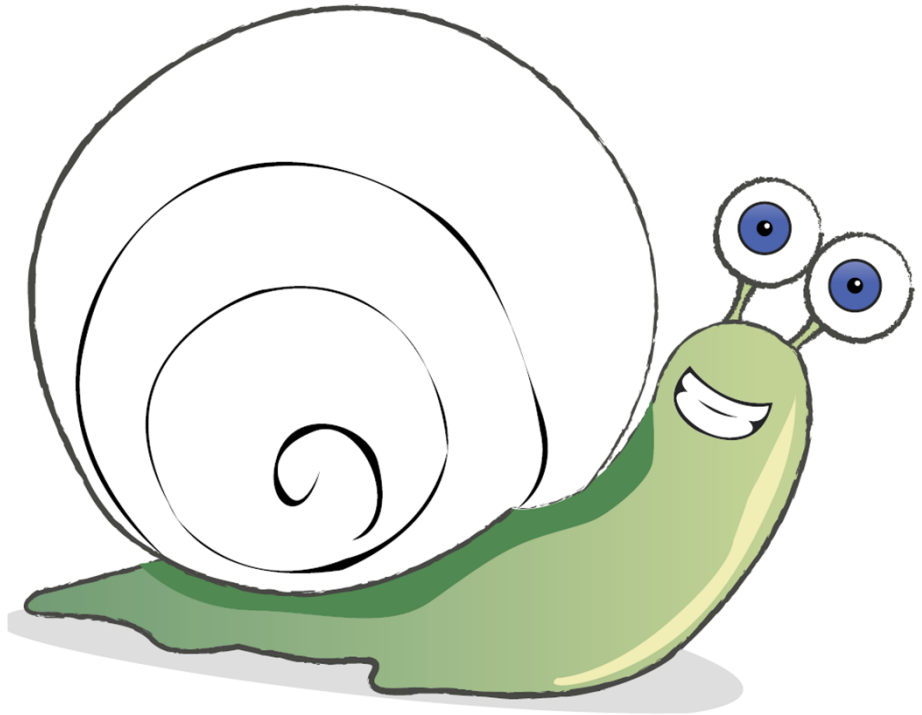

FAMILY FOCUS

Service with a smile

Complete a '**service** snail'.

Living a life of **service** is about keeping your eyes open and looking out for ways to make others smile.

Draw a large smiley snail. Can you fill in the spirals on the snail's shell with ways in which as a family you serve each other in one week?

Online Safety

We all want our children to be safe online and with that in mind we will be providing you with information about online behaviours, apps and games which will be useful to you in supporting your child to stay safe. This will also support the daily teaching of online safety at school.

Online hate can affect anyone. Sharing hateful messages about individuals, groups or communities online can have serious consequences and the use of social media means it's now even easier to target people all over the world. It's important children know how to respond and how they can set a positive example. The Euros, which welcome 24 teams from 24 different countries, playing it out in 11 cities across 1 continent, are a fantastic opportunity to celebrate different cultures, backgrounds and beliefs – and the perfect way to deliver one universal message – let's tackle online hate together.

Please also take a look on our website at [Our Safeguarding](#) page where you will discover a range of links to on-line safety information.

STOP HATE UK
STOP HATE. START HERE

Let's Tackle Online Hate Together

Make sure you know how to report content on any sites or apps that you use. Don't be afraid to report any hateful posts that you see.

Don't respond to the people posing hate: sometimes an ongoing conflict is exactly what they want. Instead, report, block and unfollow them.

Set a positive example through your own online behaviour. Before you post or share anything, ask yourself if you would say it to someone offline.

Show support for online campaigns against hate and 'like' posts that you see promoting positive messages. You could leave an encouraging comment, too!

If you see upsetting messages online, talk to your friends and family about them. Maybe take a break from the app or site you saw them on.

Remember that you have the power to shape your online world. Engage with posts or accounts that inspire kindness and connection, and block or unfollow the ones that don't.

	3:30pm	Multi-skills Sports Club with Pete sports coach from Fleetwood Town

Birthdays this week!

Isabella for the 5th

Ted for the 9th

COVID-19

Please do not send your child in to school if they or members of your household have coronavirus symptoms or have tested positive in the last 10 days.

Symptoms are

- A high temperature—this means you feel hot to the touch on your chest or back (you do not need to measure your temperature)
- A new, continuous cough—this means coughing a lot more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- A loss or change to your sense of smell or taste—this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child shows any of these symptoms at school we will ring you immediately and expect you to come and collect your child.

School Uniform—Updated June 2021

Preloved Uniform available to purchase at very low prices.

All items have been **washed, individually bagged and labelled**.

If you would like to purchase any of the below items please contact **Helen Mason 07841195886**.
