

Inskip St Peter's C.E. Primary School Knowledge Organiser

Computing		Year 5/6		Digital Literacy & Research
What should I already know?	What computing skills will I learn?	Vocabulary		
<ul style="list-style-type: none"> • That URLs are typed to access websites • How to use more complex search criteria to narrow down my search • That not all websites are accurate and how I can check information using a different site • How to make notes from information found on websites to present my findings <p>Online safety skills</p> <ul style="list-style-type: none"> • What plagiarism is and when I can use the work of others • Why we need to keep passwords safe and secure 	<ul style="list-style-type: none"> • That the information found on some sites will be biased • That images and text found on websites are subject to copyright • How to credit the use of websites in my work, and why this should be done <p>Online safety skills</p> <ul style="list-style-type: none"> • The different ways of reporting concerns about content 	app	a computer program	
		computer networks	the computers and the connecting hardware that make it possible to transfer data	
		digital content	any information viewed on a computer, such as text, images and sound	
		internet	the global collection of computer networks and their connections sharing information to communicate	
		search	to identify information through keywords	
		URL	Uniform Resource Locator – a website address	
		World Wide Web	a service provided by computers connected to the internet where information is transmitted to users	
		Resources		
		Search engines - swiggle.org.uk kiddle.co kidtopia.info kidsearch.com		
		By the end of KS2		
		I will have learnt how to use search technologies effectively, appreciating how results are selected and ranked and be discerning in evaluating digital content. I will be able to use search technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns and content and contact
