Newsletter for week commencing 25th March 2024

I think it's fair to say that every child is loving having our **pool**! Our swimming teacher this year, Jordan, is a particularly good teacher and the skills and self-confidence that he is passing along to our pupils are amazing and will be everlasting. Thank you parents for supporting us in this and dealing with the daily wet costumes and towels. Please continue to send swimming kits each day this week.

We were extremely lucky to have the award winning author Lauren Child visit us on Thursday with her latest Clarice Bean novel, Smile. It was such a fantastic afternoon, we welcomed children from St. Mary's Primary School in Great Eccleston, Treales Primary School, Roseacre Primary from Blackpool and Westminster from Blackpool to share the treat with us. Lauren told us all about her writing, how she creates her books and all about how she wrote Smile. Then the children had the fabulous experience of talking to Lauren individually as they had their books signed by her. Thank you very much Mrs Kemp for all your organisation of this. Please see our photos of the afternoon [here](#) and [here](#).

Please keep Saturday 6th July free so that you can come along here and enjoy our Summer Fair!

Fantastic news! I've managed to secure **Bikeability cycle training** for our Year 5 and 6s. The sessions will take place on Thursday 11th and Friday 12th July. Parents of these pupils please see the letters that your children are bringing home today that detail exactly what each child will need to bring with them and send back the completed form to us. Bikeability cycle training equips children with vital life skills. Pupils not only learn to cycle, they gain independence, social skills and a sense of wellbeing. After Bikeability, children are better at responding to risk and report increased confidence.

Please do go along to the [Our Class Blogs page](#) on our website to see lots of new blogposts about the activities your children have been getting up to at school. Thank you teachers for the time you put into these posts they really do celebrate your hard work with our pupils.
