

## INSKIP ST. PETER'S C.E. PRIMARY SCHOOL

*Learning, Loving and Living with Jesus*

**Compassion Friendship Respect Forgiveness Trust Thankfulness**

**Keep your roots deep in Jesus Christ the Lord, build your lives on him  
and always be thankful. Colossians 2:7**

**Newsletter for Week Commencing Monday 29th April**

We are over the moon for **Ms Thornton who is expecting a baby in August** and we wish her and Mr Thornton every best wish for the coming months. She will be on maternity leave for the Autumn term returning to us just before Christmas to join in with all our festive fun! We all hope though that she doesn't forget us totally during this time and comes to visit us at school to introduce her new baby to our Inskip community.

I and the governors are very pleased indeed that **Mrs Hurley and Miss Langley have once again volunteered to up their hours for next term** so that Miss Langley will become the full time Middle School teacher and Mrs Hurley the full time Upper School teacher from September till the Christmas holidays. Thank you to you both.

**We continue to send Mrs Welsh our love**, huge hugs and prayers as she recovers from her cancer treatment, we miss her very much and hope that she is back with us very soon. During the last couple of weeks we have welcomed **Mrs Maycock** into Lower School as our temporary teaching assistant until Mrs Welsh returns.

After advertising for an experienced **school bursar** on Lancashire County Council's vacancies website the governors are interviewing for the position this week. **Mr Lee** is doing a sterling job in the meantime, huge thanks to him.

Whilst writing about staff it seems remiss not to mention the unsung heroes of our school, the people who you may not see but are integral to our day-to-day workings.

Thank you very much **Mrs Billington, Mrs Allen and Mr Ross**, we wouldn't be the school we are without your care and attention.

On **1<sup>st</sup> July we will have our Move Up Day**, when each year group moves up for the day to become the year group they will be in September, it's a very exciting day with pupils who are moving classes this year spending the day in their new class with their new teacher and pupils who are starting at our school in September invited to spend the day with us too.

This year's **Sports Day** will be held (weather permitting) on **Friday 21<sup>st</sup> June at 1.30pm**, the format will continue from previous years with families encouraged to attend to cheer on our pupils.

During the last few months I have had **meetings with the police and residents from Scholars Chase regarding parking concerns**. The road safety department at Lancashire County Council have supplied warning boards for the residents to put out according to police instructions. Please do heed these boards, my concern is the safety of families who attend our school and the ability of oncoming drivers to see pupils who may be crossing

the road where a parked car is blocking a clear vision of the junction. The police are planning further action against drivers who park in a dangerous manner near our school. In order that we can add to our pupils safety when moving around Inskip, our younger children will be partaking in the **Right Start pedestrian training scheme** this term and our oldest pupils will be undertaking **Bikeability training**.

### School Calendar
