Policy for Careers Education, Information, Advice and Guidance (CEIAG) –

Last updated: September 2019

Philosophy

At Inspire our Careers, Education, Information, Advice and Guidance (CEIAG) programme is an integral part of the preparation of pupils for the opportunities and experiences of adult life. Its central concern is equipping pupils to manage the choices, changes and transitions affecting their future education, training, employment and life as adult members of an international society and to install life-long learning.

Rationale for CEIAG

A young person's career is the progress they make in learning and work. All young people need a planned programme of activities to help them choose 14-19 pathways that are right for them. Our CEIAG programme should enable pupils to:

- Be more self-aware about their own skills, aptitudes, values, aspirations and potential.
- Have a better understanding of education, training and future career opportunities both within the UK and abroad.
- Make informed choices about their own continuing education, training and future career paths.
- Develop career management skills of self-reliance, adaptability, flexibility, decision making and problem solving.

Commitment

Inspire is committed to providing a planned programme of CEIAG for all students in years 7 – 11 in partnership with MYT and MEBP.

Inspire endeavours to follow the latest statutory and best practice guidance. It has working towards Investors in Careers Quality Award. Inspire Academy is also committed to meeting the needs of its students by following the Gatsby 8 Benchmarks.

Monitoring, Review and Evaluation

Inspire Academy, uses The Compass ToolKit to monitor and review our CEIAG programme. The Compass ToolKit will evaluate our careers programme and highlights where the school can improve. It will compare how our school fares against the 8 Gatsby Careers Benchmark standards.

The CEIAG Policy will be reviewed annually by senior teachers and a member of SLT. Review date September 2020.

Inspire Academy measures the impact of its CEIAG programme by holding discussions with pupils, parents/carers & employers who have taken part in our school careers fair. We use the feedback given to prepare our careers programme for the next academic year. We measure and assess the success of our careers programme based around the percentage of successful post 16 placements we are able to achieve for our pupils. Our Careers officer will also contact the post 16 students to discuss their placements prior to October half term to gauge how successful those placements are. This document along with up to date links to post 16 websites can be accessed by staff, parents, carers, governors, partners and personal advisors via the School website.
