

KEY WORDS 2020-2021

KEY WORDS						
Subject	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 7	Cardboard, pallet wood, plastics, plywood, MDF, steel, brass, chrome, tin, aluminium, copper, paper, wood stain, contact and grab adhesive, bonding, CFC, environmental, nails, foam board, reduce, recycle, reuse	Evaluation, plug, analogue, digital, resistor, electronic, electrical, plywood, project brief, LED. And tools list.	Copper, tin, aluminium, steel, chrome, vacuume forming, acrylic, CFC, thickness, Polypropylene, polyvinyl, rubber, polystyrene, Perspex, fabrication.	Design, 2 dimensional, CAD, geometric models, text, and digital images, graphics, pentagon, hexagon, triangle, circle, square, angel, shading	Template, component, production, planning, , produce, draft, conclusion, explanation, assessment, development, interrupt, knowledge,	Horticulture, gauge, parallel, essential, maintenance, soil, timber, height, essential, omitted
Year 8	Cardboard, pallet wood, plastics, plywood, MDF, steel, brass, chrome, tin, aluminium, copper, paper, wood stain, contact and grab adhesive, bonding, BPA, environmental, nails, foam board, polly pipe, 3 core flat twin and earth wire, steel, pine, oak, beech, hardwood, softwood, reduce, recycle, reuse, scissors	Evaluation, analogue, resistor, electronic, digital, closed loop, galvanised steel, electrical, plywood, extension lead, trailing socket,LED. And tools list.	Copper, tin, aluminium, steel, chrome, vacuum forming, acrylic, BPA, thickness, Polypropylene, polyvinyl, rubber, process, production, polystyrene, Perspex hot wire, moulding, extruding.	aesthetically pleasing, Design, 3 dimensional , CAD, geometric models, text, and digital images, graphics, shading, Design: composition, balance, proximity, alignment, repetition, contrast, white space, hierarchy	Template, conceptual component, planning, promotion, production, conclusion, explanation, assessment, development, interrupt, knowledge, evidence, source, valuable, necessary, partitioning	Horticulture, gauge, parallel, essential, maintenance, soil, timber, height, essential, omitted, irresistible, consistency, weight, tier

KEY WORDS 2020-2021

<p>Year 9</p>	<p>Carpentry, evaluation, plywood, MDF, fret saw, assessment, risk, responsibilities, self-reflection, risk, face and edge marking. Raw Materials Resources Construction Model / Prototype Butt Joint Half Butt Joint Mitre Joint Tenon Saw Bench Hook Pin Hammer PVA Glue Health & Safety Personal Protective Equipment (PPE) Angle Techniques , specification,</p>	<p>Bricklaying, joint, measurement, face, frog, muck, motar, lime, cement, builders sand, sharp sand, waste, surface, debris, crevices, mm, cm, m, inch, feet, foot, length, width, line, trowel, level, stretcher, plumb, pointing tool, gauging trowel, spot board, spot board stands, line pins, spirit level.</p>	<p>Painting, interior, exterior, ceiling, finish, top coat, silk paint, gloss paint, satin paint, primer, undercoat, laying off, lining paper, wallpaper, low-tac, non-drip, perpendicular, oil (paint) primary colour, perspective, top coat, woodstain, undercoat, make good, stripper, sugar soap, brush, roller, emulsion, eggshell.</p>	<p>Plumbing, plastic, copper, brass, toilet, flush, waste, joint, jointing compound, s-bend, u-bend, system, pipe, elbow, fixture, fitting, stop cock, safety valve, bottom trap, bottle trap, bleed valve, mixed taps, flexi hose, push fit, olive, overflow pipe, PTFE tape,</p>	<p>Plastering, plaster, bucket, preparation, surface, mixing, consistency, skimming, decorate, PVA, stability, finish, smooth, floating coat, trowel, hawk, coating, Bucket Trowel, finishing spatula, mixing tool, mixer,</p>	<p>Bricklaying, cavity wall, bolster hammer, DPC, tolerances, accumulation, techniques, concrete blocks, breeze blocks, galvanised ties, thermalite blocks,</p>
<p>Year 10</p>	<p>Carpentry, evaluation, plywood, MDF, fret saw, assessment, risk, responsibilities, self-reflection, risk, face and edge marking. Raw Materials Resources , Construction Model / Prototype</p>	<p>Cavity, block, concrete, gable, brick hammer, brick saw, Bricklaying, joint, measurement, face, frog, muck, mortar, lime, cement, builders sand, sharp sand, waste, surface, debris, crevices, mm, cm, m, inch, feet, foot, length, width, line,</p>	<p>Sponging, rag rolling, Painting, interior, blocking, ageing, exterior, ceiling, finish, top coat, silk paint, gloss paint, satin paint, primer, undercoat, laying off, lining paper, wallpaper, low-tac,</p>	<p>Gallons per minute (GPM or gpm), gallons, per flush (GPF), Porcelain enamel, compression fitting, Monobloc taps, Plumbing, plastic, copper, brass, toilet, flush, waste, joint, jointing compound, s-</p>	<p>Render, corner trowel, Plastering, plaster, bucket, preparation, surface, mixing, consistency, skimming, decorate, PVA, stability, finish, smooth, floating coat, trowel, hawk, coating, Bucket Trowel,</p>	<p>Bricklaying, cavity wall, bolster hammer, DPC, tolerances, accumulation, techniques, concrete blocks, breeze blocks, galvanised ties, thermalite blocks, DPCs (damp- proof courses) cavity wall</p>

KEY WORDS 2020-2021

	<p>Butt Joint Half Butt Joint Mitre Joint Tenon Saw, Vice Bench Hook Pin Hammer Health & Safety Personal Protective Equipment (PPE) Angle, Techniques, aesthetics , analyse, specification, aluminium</p>	<p>trowel, level, stretcher, plumb, pointing tool, gauging trowel, spot board, spot board stands, line pins, spirit level, stretcher bond, English bond</p>	<p>non-drip, perpendicular, oil (paint) primary colour, perspective, top coat, woodstain, undercoat, make good, stripper, sugar soap, brush, roller, emulsion, eggshell.</p>	<p>bend, u-bend, system, pipe, elbow, fixture, fitting, stop cock, safety valve, bottom trap, bottle trap, bleed valve, mixed taps, flexi hose, push fit, olive, overflow pipe, PTFE tape, tail.</p>	<p>finishing spatula, mixing tool, mixer,</p>	<p>ties, Aerated Autoclaved Concrete Block (AAC),</p>
<p>Year 11</p>	<p>Carpentry, evaluation, plywood, MDF, fret saw, assessment, risk, responsibilities, self-reflection, risk, face and edge marking. Raw Materials Resources, , Construction Model / Prototype Butt Joint Half Butt Joint Mitre Joint Tenon Saw, Vice Bench Hook Pin Hammer Health & Safety</p>	<p>Block saw, caulking gun, joint raker, Cavity, block, concrete, gable, brick hammer, brick saw, Bricklaying, joint, measurement, face, frog, muck, motar, lime, cement, builders sand, sharp sand, waste, surface, debris, crevices, mm, cm, m, inch, feet, foot, length, width, line, trowel, level, stretcher, plumb, pointing tool, gauging trowel, spot board, spot board stands, line pins, spirit level. Herringbone bond,</p>	<p>Stabilising, rag rolling, artex, blocking, ageing, brushing out, cutting in, Painting, interior, exterior, ceiling, finish, top coat, silk paint, gloss paint, satin paint, primer, undercoat, laying off, lining paper, wallpaper, low-tac, non-drip, perpendicular, oil (paint) primary colour, perspective, top coat, woodstain, undercoat, make</p>	<p>Compression connector, Thermostatic mixing valve, PTFE tape - Polytetrafluorethylene tape, Gallons per minute (GPM or gpm), gallons, per flush (GPF), Porcelain enamel, compression fitting, Monobloc taps, Plumbing, plastic, copper, brass, toilet, flush, waste, joint, jointing compound, s-bend, u-bend, system, pipe, elbow, fixture, fitting, stop cock, safety</p>	<p>PVA (polyvinyl acetate), scarifier/comb tool, Render, corner trowel, Plastering, plaster, bucket, preparation, surface, mixing, consistency, skimming, decorate, PVA, stability, finish, smooth, floating coat, trowel, hawk, coating, Bucket Trowel, finishing spatular, mixing tool, mixer,</p>	

KEY WORDS 2020-2021

	Personal Protective Equipment (PPE) Angle, Techniques, asphetics, analyse, specification, aluminium, perspective, perpendicular,	English bond, stretcher bond,	good, stripper, sugar soap, brush, roller, emulsion, eggshell.	valve, bottom trap, bottle trap, bleed valve, mixed taps, flexi hose, push fit, olive, overflow pipe, tail.
