

To Parents and Carers of all Pupils
Inspire Academy

26th November 2019

Dear Parents/Carers,

Re: Pupil Information Evening (PIE) – Term 2

We are having a Pupil Information Evening (PIE) on **Tuesday 10th December 2019, from 2:30pm to 5:30pm**. This is where we look closely at all data that has been collated and how your child is progressing. It is important as a parent/carer that you fully understand how your child is doing in all aspects of their school life.

We would like, where possible, pupils to attend with their parent(s)/carer(s) for their review and then leave with them after discussions regarding their progress with subject teachers.

As this is a **PIE**, we will be serving pie and mash for all parents/carers and pupils so, as well as finding out how your child is progressing at Inspire Academy, you will be able to enjoy freshly cooked food at the same time.

Please let us know of a specific time you would like to attend between 2.30pm and 5:30pm to meet with your child’s teachers, by completing and returning the slip below.

We really appreciate your attendance and support with these events, so that we are **ALL** able to support your child’s progress through school. Myself and all members of the Senior Leadership Team will also be available to answer any questions you may have.

Yours sincerely,

Mr M. Burgiss
Head of Academy
