Fairtrade

What Does Fairtrade Mean?

What is fair? Is it fair that some people have more than others? Where you are born can affect how wealthy or poor you are. In lots of poor countries, people grow crops to make money. However, too often, people will not give them a fair price for their products. They cannot make any money unless they are given a fair price. Fairtrade is about making the world fairer. It is about giving a fair price for things that we buy. Without a fair price, people do not have money for essentials such as clothes and food.
