Our Christian vision: 'Created to do good': Ephesians 2:10

At Ireby school we are dedicated to growing a strong and loving community using our unique talents and passions to serve and love one another. We learn how God teaches us to live our lives, how to grow relationships, accept others and use the words and example of Jesus as a foundation for all our learning. 'We are one big family, made up of lots of different people.'

Our school uniform policy supports our vision by giving our pupils an identity and equality which allows us all to be part our loving community.
