Writing – a poem about ‘ambition’

See www.plprimarystars.com/resources/ambition-poetry-competition-ks1 for guidance

My poem:

Now tell us about you.

Your first name, and the first letter of your surname	
What year are you in and how old are you?	
Who is your teacher?	
What is the name of your school?	

Writing

Use expanded noun phrases and exciting adjectives to describe these players

Write an expanded noun phrase about your favourite player or yourself

Reading: Match report

Harry Darling on target in fourth successive U's win

Cambridge United served up another dramatic fightback at the Abbey, as they came from behind against Bradford City to win 2-1 and extend their victorious run to four in League Two.

Playing against a hefty wind in the first half, United had to soak up early pressure from the Bantams with Shay McCarten testing Callum Burton on ten minutes, and the U's keeper doing excellently to keep hold of the 20 yard effort that had hopped off the turf.

The deadlock was broken on 17 minutes when a half clearance by Harrison Dunk fell to Jake Reeves and the Bradford captain's shot from 25 yards fortuitously took a big deflection on its way past Burton.

Cambridge rallied well however and finished the half the stronger of the two sides. Paul Mullin didn't hesitate in letting fly from an angle which Bradford's keeper palmed high into the air on 39 minutes. And moments before the break Paul Lewis glanced a header off target from six yards, when the midfielder stretched out to make contact on an out-swinging corner by Leon Davies.

Mullin harried the Bradford back four well in the early stages of the second half, laying off a pass to Leon Davies who added a touch too much power on a shot in the 52nd minute which was just over O'Donnell's cross bar.

Leon Davies saw a ball agonisingly taken off his head at the last moment with the youngster looking certain to pile in an equaliser from another Dunk cross on the hour. He then played a key role as United barraged Bradford with deliveries into the area, but the ball just would not sit for the U's.

El-Mizouni caused the Bantams all sorts of problems during his stint on the field and a chance delivery into the area five minutes from time, finally fell sweetly enough for Harry Darling to rifle home an equaliser and score his second goal of the season.

From there the U's downright refused to settle for a point, and got their rewards during five minutes of stoppage time. The three subs combined, with El-Mizouni and Carruthers linking in the build up and the latter firing a cross into Knibbs who brushed home the winner in typical poacher's style.

1. What does 'fortuitously' mean? <i>Circle the correct synonym</i>	a) sadly b) happily c) luckily d) quickly
2. Name all three goalscorers in the match	
3. Why did Leon Davies not score in the 52 nd minute?	
4. Copy a phrase that suggests that Cambridge were attacking lots in the second half	
5. Look at the last paragraph, why could the manager take some credit for the win?

Fantasy 6-a-side Team

- You have £50,000 to spend
- You need to buy **one** goalkeeper, **two** defenders, **two** midfielders and **one** striker
- You can't go over the budget
- How close can you get to spending all £50,000? There is one combination to spend exactly £50,000. Can you find it?

Goalkeeper	Cost
Allison Becker	£8,758
Nick Pope	£6,019
Tim Krul	£2,100

Midfielder	Cost
Kevin De Bruyne	£12,877
Son Heung-min	£11,867
Declan Rice	£5,632
Ryan Fraser	£2,313

Defender	Cost
Virgil Van Dijk	£12,086
Harry Maguire	£9,833
Ben Chilwell	£7,999
Gary Cahill	£3,411

Striker	Cost
P-E Aubameyang	£10,499
Marcus Rashford	£9,999
Olivier Giroud	£7,633

Maths: new club badge

Design a new club badge but by sticking to the following rules:

1. Your badge must have more sides than square
2. Your badge must have more vertices than a triangle but less than an octagon
3. Your badge must have at least 1 90-degree angle
4. Everything must be drawn with a ruler/straight edge
5. It must be amber (yellow) and black and you can be creative with what you draw inside the shape

Maths – Premier League top 5

Look at the fractions of these 5 strikers.

<i>Who is the best?</i>	<i>Vardy</i>	<i>Aguero</i>	<i>Aubameyang</i>	<i>Kane</i>	<i>Mane</i>
					
$\frac{\text{Successful dribbles}}{\text{Dribbles attempted}}$	$\frac{1}{5}$	$\frac{3}{7}$	$\frac{3}{10}$	$\frac{1}{8}$	$\frac{3}{4}$
$\frac{\text{International goals}}{\text{International games}}$	$\frac{1}{4}$	$\frac{3}{7}$	$\frac{3}{8}$	$\frac{2}{3}$	$\frac{2}{7}$
$\frac{\text{Penalties scored}}{\text{Penalties taken}}$	$\frac{10}{12}$	$\frac{9}{12}$	$\frac{5}{6}$	$\frac{4}{5}$	$\frac{6}{10}$
$\frac{\text{Assists}}{\text{Games}}$	$\frac{1}{20}$	$\frac{9}{50}$	$\frac{2}{15}$	$\frac{1}{10}$	$\frac{16}{100}$
$\frac{\text{Goals scored}}{\text{Shots on target}}$	$\frac{4}{10}$	$\frac{5}{12}$	$\frac{1}{4}$	$\frac{2}{10}$	$\frac{4}{9}$

1. Which player has the greatest assist fraction and how do you know?	
2. True or false - Aguero has a greater international goalscoring fraction than Kane	
3. Put the strikers goals scored/shots on target in order from least to greatest	
4. Are there any strikers that are top for more than one category?	
5. Based on everything you have learned from these fractions, what is your top 5?	

PSHE

Here is a list of challenges to complete with others at home

Get a photo of...	Complete (tick)
You exercising with your pet (or a teddy/toy if you don't have a pet)	
You having a serious staring competition with a family member	
You helping your parents with some housework	
You making or helping to make lunch for your family	
You in mid-air (be creative)	
Your whole household looking serious but you with a huge smile	
You and your household playing a sport that you have invented or adapted	
You using a household item to exercise with (example - tin of beans as weights)	
Something that you have built or created using cardboard	
You and your household singing, dancing or playing musical instruments together	

PSHE

'Teamwork'

What does it take to work well in a team (Name all the things you can think of)

Why are all these things important in team sports? (Again, write all these things down)

Now pick a team/player who you think shows these qualities and research them by creating a fact file with a picture of them in the box. See if you can find any examples of them using these qualities either on or off the pitch.

My team/player is _____

Their best teamwork qualities are _____

Some examples of when they used these qualities are

Art

Create your own design for our Cambridge United kit

HUMMEL FOOTBALL KIT

Science

Label the muscles on the body

WORD BANK

sartorius	brachioradialis	biceps	quadriceps
rectus abdominus	pectorals	external obliques	gastrocnemius
deltoids	triceps		

Which muscles are used most in football?

How do footballers build and protect these muscles from injury?

PE

How many can you do in a minute?

Get somebody to time you, record your score then practise for 1 week and see how much you've improved.

Activity	First attempt score	When and how much will you practise?	Score after 1 week of practise
Star jumps			
Burpees (lay down, stand up, jump, repeat)			
Frog jumps			
Toe taps			
High knees			

History Project: History 11

Your challenge is to make a starting 11 which follows the following rules:

- 2 players may be current players
- 1 player must be from each decade from 2000s back to 1940s
- 2 players must be from the 1930s or earlier
- Write the player's name, decade and why you have chosen them. You can use statistics or opinion

Name:
Decade:
Reason:

Geography

Draw, colour and join the flags of the 8 world cup quarter final countries to where they are on a world map. We've done one to get you started.
