Writing – a poem about ‘ambition’

See www.plprimarystars.com/resources/ambition-poetry-competition-ks1 for guidance

My poem:

Now tell us about you.

Your first name, and the first letter of your surname	
What year are you in and how old are you?	
Who is your teacher?	
What is the name of your school?	

Writing

Add adjectives that you think best describes the player and their skills

Messi is a _____ player with _____ free kicks.

Sterling often likes to use his _____ dribbling skills to get past defenders.

Now write your own sentences about these players

Draw and describe yourself as a player

Reading

Have a read of the match report below and tick true or false for each statement

Harry Darling on target in fourth successive U's win

Cambridge United served up another dramatic fightback at the Abbey, as they came from behind against Bradford City to win 2-1 and extend their victorious run to four in League Two.

Playing against a hefty wind in the first half, United had to soak up early pressure from the Bantams with Shay McCarten testing Callum Burton on ten minutes, and the U's keeper doing excellently to keep hold of the 20 yard effort that had hopped off the turf.

The deadlock was broken on 17 minutes when a half clearance by Harrison Dunk fell to Jake Reeves and the Bradford captain's shot from 25 yards took a big deflection on its way past Burton.

Cambridge rallied well however and finished the half the stronger of the two sides. Paul Mullin didn't hesitate in letting fly from an angle which Bradford's keeper palmed high into the air on 39 minutes. And moments before the break Paul Lewis glanced a header off target from six yards, when the midfielder stretched out to make contact on an out-swinging corner by Leon Davies.

Mullin harried the Bradford back four well in the early stages of the second half, laying off a pass to Leon Davies who added a touch too much power on a shot in the 52nd minute which was just over O'Donnell's cross bar.

Leon Davies saw a ball agonisingly taken off his head at the last moment with the youngster looking certain to pile in an equaliser from another Dunk cross on the hour. He then played a key role as United barraged Bradford with deliveries into the area, but the ball just would not sit for the U's.

El-Mizouni caused the Bantams all sorts of problems during his stint on the field and a chance delivery into the area five minutes from time, finally fell sweetly enough for Harry Darling to rifle home an equaliser and score his second goal of the season.

From there the U's downright refused to settle for a point, and got their rewards during five minutes of stoppage time. The three subs combined, with El-Mizouni and Carruthers linking in the build up and the latter firing a cross into Knibbs who brushed home the winner in typical poacher's style.

Statement	True	False
Cambridge United lost to Bradford City		
It was a windy day		
Bradford's goalkeeper made a good save on 38 minutes		
Bradford found it difficult to defend against El-Mizouni		
The winning goal was scored by Andy Dallas		

Reading

Match the sentence to the picture

Ronaldo was shocked when the referee gave him a red card.

The goalkeeper made an incredible save to deny the striker.

The player could not continue because of his injury.

Manchester City won the Premier League.

The team celebrated together after scoring a superb goal.

Maths

The tournament!!

A special football tournament is created which has 6 teams.

In each team there are 5 players.

15 players scored a goal in the tournament.

Questions

1. How many players did not score a goal?
2. Which statement is correct – tick the box

A quarter of the players scored a goal

Half of the players scored a goal

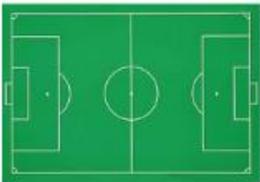

All players scored a goal

Three quarters of the players scored a goal

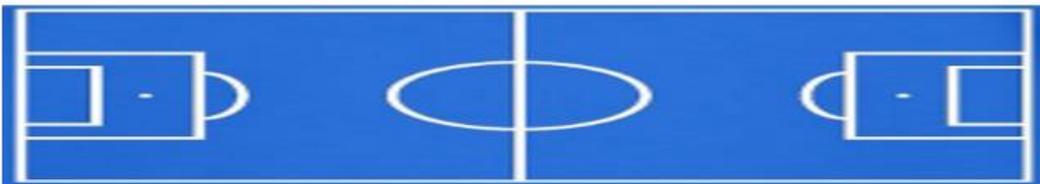

Maths

The football pitch!

Here is a green football pitch.

The blue football pitch is four times as long.

The pitches are joined end to end.

20m

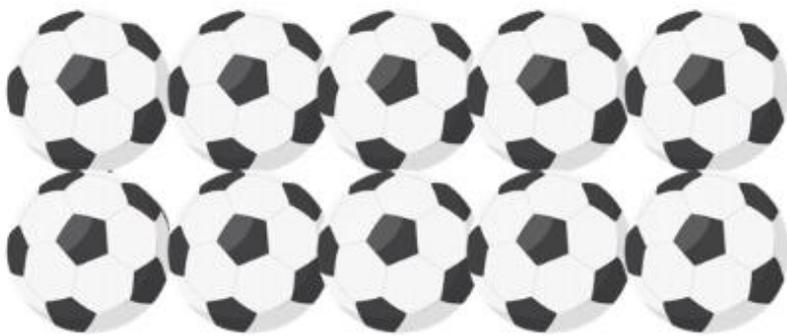

How long is the green pitch?

How long is the blue pitch?

Maths

Working out the total

Here are some footballs

Class 2 are asked work out the total.

Here are four different ways they do it.

Fill in the missing blanks.

$$\dots + \dots = 10$$

$$\dots + \dots + \dots + \dots + \dots = 10$$

$$\dots \times \dots = 10$$

$$\dots \times \dots = 10$$

Maths

The Sports Shop

These items are sold in a shop.

Ray buys three items.

Two of them were the same item.

He spent £23

Which items does he buy?

Maths

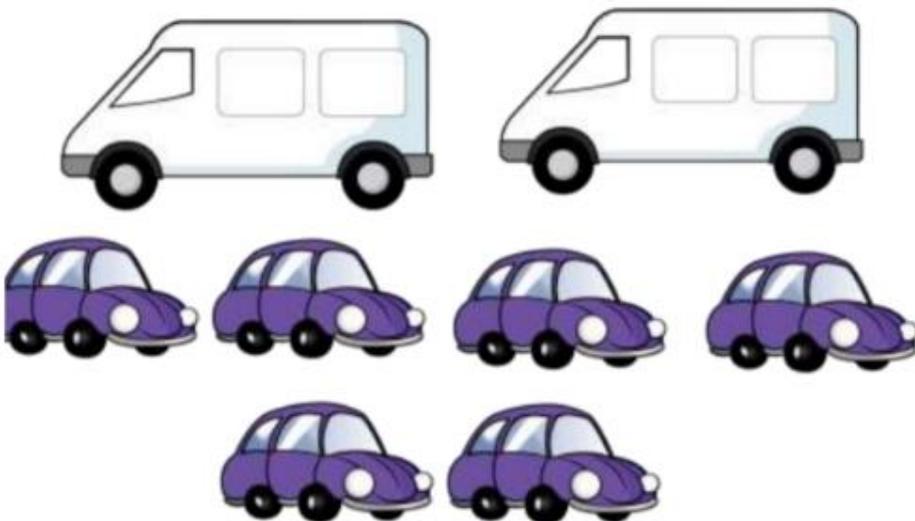

Getting to the stadium

62 people are going to a football game.

They can travel in a bus or car.

- A car can hold 5 people.
- A bus can hold 15 people.

They plan to use 6 cars and 2 buses.

Can they all travel to the game?

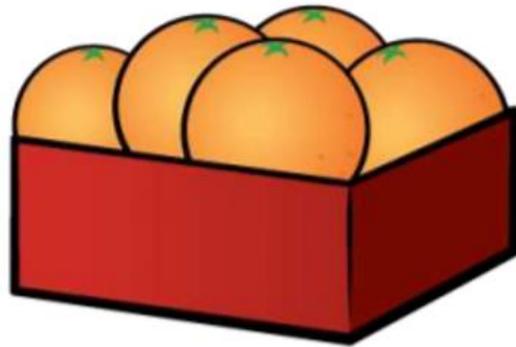

Maths

The half time snack

Des has some oranges.

He packs them into boxes.

Each box holds 5 oranges.

He fills 7 boxes.

He has 29 oranges left.

How many oranges does he have in total?

Maths

Running the line

Here is a number line.

The number 14 is shown.

Mark the number 9 on the number line.

Maths

How much does a football cost?

Ronaldo buys these items and it costs him 30 pounds.

Messi buys these items and it costs him 42 pounds.

How much does a football cost?

PSHE

Here is a list of challenges to complete with others at home

Get a photo of...	Complete (tick)
You exercising with your pet (or a teddy/toy if you don't have a pet)	
You having a serious staring competition with a family member	
You helping your parents with some housework	
You making or helping to make lunch for your family	
You in mid-air (be creative)	
Your whole household looking serious but you with a huge smile	
You and your household in fancy dress	
You holding a nice drawing that you could show to family that do not live at your house	
Something that you have built or created using cardboard	
You and your household singing, dancing or playing musical instruments together	

PSHE

'When I grow up'

Here is a picture of me in my job as a _____

What 3 important skills will I need to get this job?

-
-
-

Who can help me learn those skills?

Art

Create your own design for our Cambridge United kit

HUMMEL FOOTBALL KIT

Science

Make a football team of animals. Why have you chosen each animal for each position?

My striker is a _____
Because _____

My striker is a _____
Because _____

My winger is a _____
Because _____

My centre mid is a _____
Because _____

My centre mid is a _____
Because _____

My winger is a _____
Because _____

My full back is a _____
Because _____

My centre back is a _____
Because _____

My centre back is a _____
Because _____

My full back is a _____
Because _____

My goalkeeper is a _____
Because _____

PE

How many can you do in a minute?

Get somebody to time you, record your score then practise for 1 week and see how much you've improved.

Activity	First attempt score	When and how much will you practise?	Score after 1 week of practise
Star jumps			
Burpees (lay down, stand up, jump, repeat)			
Frog jumps			
Toe taps			
High knees			

History

Research project about England winning the world cup

When did this happen?

Where did this happen?

How did this happen?

Who helped to make this happen?

Why do you think we have not won the world cup since?

Geography

Join the footballer to the flag and then the correct country. One has been done for you.

Aguero

Mane

Kane

Pogba

Willian

De Gea

Bale

England

Wales

France

Spain

Argentina

Senegal

Brazil
