Remote Learning Policy

September 2020

Learning, Growing, Achieving Together

Statement of intent

At Isle of Ely Primary School, we understand the need to continually deliver high quality education, including during periods of remote learning – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address how the school intends to deliver learning remotely when a pupil is not able to access school due to the COVID-19 pandemic.

Our aim is to:

- Minimise the disruption to pupils' education and the delivery of the curriculum in the event that pupils are absent from school due to COVID-19.
- Ensure provision is in place so that all pupils have access to high quality learning resources and teaching support
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.
- Enable teachers to ensure that their workload is managed and that they are suitably trained and experienced in the delivery of remote learning platforms.
- Ensure robust safeguarding, privacy and data security measures continue to be in effect during the period of remote learning.

Safeguarding

At Isle of Ely Primary School, we are committed to safeguarding and promoting the welfare of all children, in line with the duty placed on us by section 175 of the Education Act 2002. We strongly believe that all children have the right to feel safe and to be protected from physical, sexual or emotional abuse and neglect.

Safeguarding the welfare of children is **everyone's** responsibility. **Everyone** who comes into contact with children has a role to play in safeguarding them. During periods of remote learning, staff and parents alike must ensure that the child does not access inappropriate resources, sites or content.

All pupils, staff, parents and governors will have read and signed our school Acceptable Use Policies. Staff will at all times work within the schools Code of Conduct for Adults. Adults must also ensure that any digital resources made available to families, or returning completed tasks, are safe and do not compromise the professional conduct or standards expected at Isle of Ely Primary School. Adults recording teaching input and explanation videos from home should be dressed appropriately and should ensure that the background setting is suitable (e.g not in a bedroom area)

All communication between children and adults, whilst pupils are learning at home, should take place via school email accounts or Microsoft Teams only. Adults should not communicate with pupils via their own personal social media accounts and no images of pupils should be emailed.

Any breaches must be immediately reported to our Designated Safeguarding Lead [Name] by emailing admin@isleofelyprimary.org , with brief details.

Philosophy

Isle of Ely Primary School is committed to working in close partnership with families and recognises each family is unique. This plan complies with the expectations and principles outlined in the DFE document [Guidance for Full Opening of Schools](#) and offers remote learning opportunities for all children. We acknowledge that some households have limited access to devices and will require hard-copies of work and resources. Isle of Ely Primary School will be as supportive as is practically possible to enable every child to continue to learn during any periods of school closure or when a child is unable to attend.

In the event that a pupil is not able to attend school, as a result of the COVID-19 pandemic, pupils will be provided with an education remotely and will be expected to engage in the home learning activities on offer. The only exception will be made under the circumstance that a pupil is unwell themselves.

Remote learning will be provided when a child is absent due to Covid related reasons, these include:

1. A child who is absent because they are; displaying COVID symptoms, awaiting COVID test results, part of a household which is required to self-isolate.
2. A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.
3. The school is closed to all pupils as part of government wider lockdown measures.
