

4th December 2020

Dear Parents and carers,

The Department for Education has announced changes to relationships and sex education (RSE).

These changes have come into effect and all schools are required to comply with the updated requirements.

This means that we will be reviewing our RSE curriculum and policy so that we can be sure our RSE provision is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

We need your feedback to help us do this. Here is how you can help:

Unfortunately, due to Covid restrictions we are unable to invite parents in to have a focused meeting on RSE, so therefore we are sending home an overview of what RSE will look like at Ivy House. This will give you some information on how it is incorporated into your child's learning. We would like you to read it and please contact us if you have any questions or require any clarifications. By sending home these guidelines we are consulting with you and including you in our updated RSE provision. We would welcome your views and comments about RSE at Ivy House School.

Please contact us with your views or any questions at:

Thank you for your time

Yours Sincerely,
