Updates

Hello all families and members of the Ivy House community!

As we come to the end of another busy and rewarding academic year, we'd like to extend our heartfelt thanks for your continued support. It has been a fantastic final few weeks, filled with exciting trips to Conkers, Drayton Manor, our local nature reserve, supermarkets, the Arboretum Café, and the Plot to Plate allotment. Students have also enjoyed the summery weather with plenty of water play and paddling pool fun!

Our Summer Fair was a huge success – thank you to everyone who joined us and supported the event. Keep an eye out for more Friends of Ivy House events in the new school year.

School will reopen on Tuesday 9th September, and we look forward to welcoming our students back then. In the meantime, if you need any support over the summer break, please don't hesitate to contact the Senior Leadership Team via safeguarding@ivy.set.org – this will be monitored by George, Hannah, Alise, and Tara throughout the holidays.

We've also included in this newsletter a selection of summer activity ideas, resources and inspiration to make the holidays feel more inclusive and enjoyable for everyone in your family. If you do go, please share photos on Evidence for Learning, as we'd love to see them!

Wishing you all a safe, happy, and relaxing summer break.

NurtureCare

NurtureCare have sent home a number of important documents that must be read, completed, and returned in September. It is essential that these forms are filled in accurately, as they ensure we have the most up-to-date medical and care information about your child. This helps us to provide the best possible support for them in school. If you need any support please let us know.
